Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days.

The Department requires additional time to complete these reviews in order to properly consider the numerous and complex issues raised by interested parties in their case briefs. Therefore, the Department is extending the time limit for completion of the final results of these reviews by 60 days, in accordance with section 751(a)(3)(A) of the Act. The final results are now due no later than September 5, 2007.

The period of review ("POR") is December 1, 2004, through November 30, 2005. We invited interested parties to comment on our *Preliminary Results*. Forecarry and Formost submitted a case brief on February 14, 2007; Since Hardware submitted a case brief on February 15, 2007; and on February 16, 2007, Gleason Industrial Products, Inc., and Precision Products, Inc.
