SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55762; File No. SR-Amex-2007-47]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Change the Method By Which Specialists on the Exchange Execute Odd-Lot Market Orders Under Rule 205—AEMI

May 15, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 11, 2007, the American Stock Exchange LLC (“Amex” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. Amex has filed this proposal pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(5) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to adopt changes to Rule 205—AEMI in order to change the method by which specialists on the Exchange execute odd-lot market orders.

The text of the proposed rule change is available on Amex’s Web site at <http://www.amex.com>, at the Exchange’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Amex included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Amex has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is currently operating, and has adopted rules in connection with the operation of, its new hybrid market trading platform for equity products and exchange-traded funds, designated as AEMISM (the Auction and Electronic Market Integration platform). Rule 205—AEMI (“Manner of Executing Odd-Lot Orders”) requires the specialist for a relevant security to be the contra-party for executions of any odd-lot orders in that security received by AEMI and specifies, in relevant part, the pricing at which such executions must occur. In the case of odd-lot market orders that are not executed within 30 seconds of receipt by AEMI, the specialist is currently required to execute such orders at the price of the qualifying national best bid or offer (“NBBO”). In order to ensure a fair and orderly market, the Exchange proposes to amend Rule 205—AEMI to provide for such odd-lot market orders to now be executed at the specialist’s quote, rather than the NBBO.

(i) How Rule 205—AEMI Works Today

Rule 205—AEMI(b)(i)–(iii) currently requires the specialist to execute a market odd-lot order at the price of a subsequent round-lot execution that occurs in the subject security on the Exchange for 30 seconds after the odd-lot order is entered. However, a market odd-lot order is executed at this round-lot price only to the extent that there are a sufficient number of shares subsequently transacted in round-lots on the Exchange within that 30 second window to match any imbalance between the pending odd-lot market buy and sell orders. If there are an insufficient number of shares in round-lot executions within that 30 seconds from which to benchmark the market odd-lot execution price of the imbalance, Rule 205—AEMI(b)(iv) dictates that the NBBO be used as the default price at which the specialist is required to execute.⁵

⁵ Applying the rule, assume AEMI receives market odd-lot buy orders aggregating 1,500 shares and market odd-lot sell orders aggregating 3,500 shares in a security. The next and only round-lot execution on the Amex within the next 30 seconds is 500 shares at \$10, and, at the expiration of the 30 seconds, the NBB is 100 shares at \$10.50 on NYSE. The specialist is required in time priority of receipt of the odd-lot orders into AEMI to:

- Sell/buy an equal number of shares on each side of the odd-lot market at \$10, which clears the 1,500 shares of odd-lot market buy orders and
