### 2007 Annual GSP Review

The GSP regulations (15 CFR part 2007) provide the timetable for conducting an annual review, unless otherwise specified by **Federal Register** notice. Notice is hereby given that, in order to be considered in the 2007 Annual GSP Product and Country Eligibility Practices Review, all petitions to modify the list of articles eligible for duty-free treatment under GSP or to review the GSP status of any beneficiary developing country, with the exception of petitions requesting CNL waivers, must be received by the GSP Subcommittee of the Trade Policy Staff Committee no later than 5 p.m. on June 22, 2007. Petitions requesting CNL waivers must be received by the GSP Subcommittee of the Trade Policy Staff Committee no later than 5 p.m. on November 16, 2007 in order to be considered in the 2007 Annual Review. Petitions submitted after the respective deadlines will not be considered for review.

Interested parties, including foreign governments, may submit petitions to: (1) Designate additional articles as eligible for GSP benefits, including to designate articles as eligible for GSP benefits only for countries designated as least-developed beneficiary developing countries, or only for countries designated as beneficiary sub-Saharan African countries under the African Growth and Opportunity Act (AGOA); (2) withdraw, suspend or limit the application of duty-free treatment accorded under the GSP with respect to any article, either for all beneficiary developing countries, least-developed beneficiary developing countries or beneficiary sub-Saharan African countries, or for any of these countries individually; (3) waive the "competitive need limitations" for individual beneficiary developing countries with respect to specific GSP-eligible articles (these limits do not apply to either least-

developed beneficiary developing countries or AGOA beneficiary sub-Saharan African countries); and (4) otherwise modify GSP coverage.

As specified in 15 CFR 2007.1, all product petitions must include a detailed description of the product and the subheading of the Harmonized Tariff Schedule of the United States (HTSUS) under which the product is classified.

Further, product petitions requesting CNL waivers for GSP-eligible articles from beneficiary developing countries that exceed the CNLs in 2007 must be filed in the 2007 Annual Review. In order to allow petitioners an opportunity to review additional 2007 U.S. import statistics, these petitions may be filed after June 22, 2007, but must be received on or before the November 16, 2007, deadline described above in order to be considered in the 2007 Annual Review. Copies will be made available for public inspection after the November 16, 2007, deadline.

Any person may also submit petitions to review the designation of any beneficiary developing country, including any least-developed beneficiary developing country, with respect to any of the designation criteria listed in sections 502(b) or 502(c) of the Trade Act (19 U.S.C. 2462(b) and (c)) (petitions to review the designation of beneficiary sub-Saharan African countries are considered in the Annual Review of the AGOA, a separate administrative process not governed by the GSP regulations). Such petitions must comply with the requirements of 15 CFR 2007.0(b).

### Requirements for Submissions

All such submissions must conform to the GSP regulations set forth at 15 CFR part 2007, except as modified below. These regulations are reprinted in the "U.S. Generalized System of Preferences Guidebook" (February 2007) ("GSP Guidebook"), available at [http://www.ustr.gov/assets/Trade\\_Development/Preference\\_Programs/GSP/asset\\_upload\\_file412\\_8359.pdf](http://www.ustr.gov/assets/Trade_Development/Preference_Programs/GSP/asset_upload_file412_8359.pdf).

Any person or party making a submission is strongly advised to review the GSP regulations. Submissions that do not provide the information required by sections 2007.0 and 2007.1 of the GSP regulations will not be accepted for review, except upon a detailed showing in the submission that the petitioner made a good faith effort to obtain the information required. Petitions with respect to waivers of the "competitive need limitations" must meet the information requirements for product addition requests in section 2007.1(c) of the GSP regulations. A model petition

format is available from the GSP Subcommittee and is included in the GSP Guidebook. Petitioners are requested to use this model petition format so as to ensure that all information requirements are met. Furthermore, interested parties submitting petitions that request action with respect to specific products should list on the first page of the petition the following information after typing "2007 Annual GSP Review": (1) The requested action; (2) the HTSUS subheading in which the product is classified; and (3) if applicable, the beneficiary developing country. Petitions and requests must be submitted, in English, to the Chairman of the GSP Subcommittee, Trade Policy Staff Committee. Submissions in response to this notice will be available for public inspection by appointment with the staff of the USTR Public Reading Room, except for information granted "business confidential" status pursuant to 15 CFR 2003.6. If the submission contains business confidential information, a non-confidential version of the submission must also be submitted that indicates where confidential information was redacted by inserting asterisks where material was deleted. In addition, the confidential submission must be clearly marked "BUSINESS CONFIDENTIAL" in large, bold letters at the top and bottom of each and every page of the document. The public version that does not contain business confidential information must also be clearly marked in large, bold letters at the top and bottom of each and every page (either "PUBLIC VERSION" or "NON-CONFIDENTIAL"). Documents that are submitted without any marking might not be accepted or will be considered public documents.

In order to facilitate prompt consideration of submissions, USTR requires electronic mail (e-mail) submissions in response to this notice. Hand-delivered submissions will not be accepted. E-mail submissions should be single copy transmissions in English with the total submission including attachments not to exceed 30 pages in 12-point type and 3 megabytes as a digital file attached to an e-mail transmission. Submissions should use the following e-mail subject line: "2007 Annual GSP Review-Petition." Documents must be submitted as either WordPerfect (".WPD"), MSWord (".DOC"), text (".TXT"), or Adobe (".PDF") file. Documents cannot be submitted as electronic image files or contain embedded images (for example, ".JPG", ".TIF", ".BMP", or ".GIF").

Supporting documentation submitted as spreadsheets are acceptable as Quattro Pro or Excel, pre-formatted for printing on 8½ × 11 inch paper. To the extent possible, any data attachments to the submission should be included in the same file as the submission itself, and not as separate files. E-mail submissions should not include separate cover letters or messages in the message area of the e-mail; information that might appear in any cover letter should be included directly in the attached file containing the submission itself, including identifying information on the sender, organization name, address, telephone number, and e-mail address. The electronic mail address for these submissions is [FR0711@USTR.EOP.GOV](mailto:FR0711@USTR.EOP.GOV).

For any document containing business confidential information submitted as an electronic attached file to an e-mail transmission, in addition to the proper marking at the top and bottom of each page as previously specified, the file name of the business confidential version should begin with the characters "BC-", and the file name of the public version should begin with the characters "P-". The "P-" or "BC-" should be followed by the name of the person or party (government, company, union, association, etc.) submitting the petition.

Documents not submitted in accordance with these instructions may not be considered in this review.

The subject matter of the Open Meeting scheduled for Wednesday, May 23, 2007 at 9 a.m. will be:

1. The Commission will consider whether to adopt interpretive guidance for management regarding its evaluation and assessment of internal control over financial reporting. The Commission will also consider whether to adopt amendments to Exchange Act Rules 13a-15(c) and 15d-15(c) that would make it clear that an evaluation that complies with the Commission's interpretive guidance would satisfy the annual management evaluation required by those rules. In addition, the Commission will consider whether to adopt amendments to Rules 1-02(a)(2) and 2-02(f) of Regulation S-X to require the expression of a single opinion directly on the effectiveness of internal control over financial reporting by the auditor in its attestation report. Finally, the Commission will consider whether to adopt amendments to Exchange Act Rule 12b-2 and Rule 1-02 of Regulation S-X to define certain terms.

2. The Commission will consider a number of rule proposals addressing the registration and disclosure requirements for smaller companies, as well as private offerings of securities, including whether:

- To propose amendments to increase the number of companies eligible for the scaled disclosure and reporting requirements for smaller reporting companies;

- To propose amendments to expand the eligibility requirements of Form S-3 and Form F-3 to permit registration of primary offerings by companies with a public float of less than \$75 million, subject to restrictions on the amount of securities sold in any one-year period;

- To propose exemptions from the registration requirements of the Securities Exchange Act of 1934 for grants of compensatory employee stock options by non-reporting companies;

- To propose a new Regulation D exemption for offers and sales of securities to a newly defined subset of "accredited investors," as well as to propose revisions to the Regulation D
