

interventions or protests submitted on or before the comment deadline need not be served on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 14 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First St., NE., Washington, DC 20426.

The filings in the above proceedings are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for review in the Commission's Public Reference Room in Washington, DC. There is an eSubscription link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

[Project No. 2100-134]

California Department of Water Resources; Notice of Availability of the Final Environmental Impact Statement for the Oroville Facilities

May 18, 2007.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission) regulations, 18 CFR part 380 (Order No. 486, 52 FR 47897), the Office of Energy Projects has reviewed the application for license for the Oroville Facilities (FERC No. 2100), located on the Feather River in the foothills of the Sierra Nevada in Butte County, California, and

has prepared a Final Environmental Impact Statement (final EIS) for the project. The existing project occupies 1,620 acres of Federal lands managed by the U.S. Department of Agriculture, Forest Service within the Plumas and Lassen National Forests and 4,620 acres managed by the U.S. Bureau of Land Management.

In the final EIS, staff evaluates the applicant's proposal and alternatives for relicensing the Oroville Facilities. The final EIS documents the views of governmental agencies, non-governmental organizations, affected Indian tribes, the public, the license applicant, and Commission staff.

The final EIS will be part of the record from which the Commission will make its decision.

Copies of the final EIS are available for review in the Commission's Public Reference Branch, Room 2A, located at 888 First Street, NE., Washington, DC 20426. The final EIS also may be viewed on the Internet at <http://www.ferc.gov> under the eLibrary link. Enter the docket number (P-2100) to access the document. For assistance, contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll-free at 1-866-208-3676, or for TTY, (202) 502-8659.

CD versions of the draft EIS have been mailed to everyone on the mailing list for the project. Copies of the CD, as well as a limited number of paper copies, are available from the Public Reference Room identified above.

You may also register online at <http://www.ferc.gov/docs-filing/esubscription.asp> to be notified via e-mail of new filings and issuances related to this or other pending projects. For assistance, contact FERC Online Support.
