

preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

s. *Comments, Protests, or Motions to Intervene*—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

t. *Filing and Service of Responsive Documents*—Any filings must bear in all capital letters the title "COMMENTS", "PROTEST", "MOTION TO INTERVENE", "NOTICE OF INTENT", or "COMPETING APPLICATION", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

u. *Agency Comments*—Federal, State, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

v. Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site at <http://www.ferc.gov> under the "e-Filing" link.

Notice of Filing Deadline Extension for the FERC Form 714 "Annual Electric Balancing Authority Area and Planning Area Report" and Availability of Electronic Submission Software

May 18, 2007.

Take notice that the filing deadline for the FERC Form 714, reporting 2006 data, is extended to July 16, 2007, for all respondents. The extension is granted to allow the respondents additional time to prepare their initial electronic filing of the form. Electronic filing of Form 714 became mandatory on April 19, 2007, through Commission Order No. 695 (<http://www.ferc.gov/whats-new/comm-meet/2007/041907/E-14.pdf>).

Software, necessary for the submission of the form, is available for download free from the Commission's Web site at <http://www.ferc.gov/docs-filing/eforms/form-714/elec-subm-soft.asp>. A Personal Identification Number (PIN) is necessary to download the respondent's initial database and to use as an electronic signature in submitting Form 714 filings to the Commission. PINs will be e-mailed to each 2005 Form 714 contact person of record. Those who do not receive their PIN by close of business on May 23, 2007, should e-mail the legal name of the respondent and a contact person's name and E-mail address to form714@ferc.gov.

More information on the Form 714 filing requirements can be found on the Commission's Web site at <http://www.ferc.gov/docs-filing/eforms.asp#714> and questions about the form can be e-mailed to form714@ferc.gov.
