#### Extension of the Designation of Honduras for Temporary Protected Status; Automatic Extension of Employment Authorization Documentation for Honduran TPS Beneficiaries

**AGENCY:** U.S. Citizenship and Immigration Services, DHS.

**ACTION:** Notice of extension of temporary protected status designation of Honduras.

**SUMMARY:** This Notice announces that the designation of Honduras for Temporary Protected Status (TPS) has been extended for 18 months to January 5, 2009, from its current expiration date of July 5, 2007. This Notice also sets forth procedures necessary for nationals of Honduras (or aliens having no nationality who last habitually resided in Honduras) with TPS to re-register and to apply for an extension of their Employment Authorization Documents (EADs) for the additional 18-month period. Re-registration is limited to persons who have previously registered for TPS under the designation of Honduras and whose application has been granted or remains pending. Certain nationals of Honduras (or aliens having no nationality who last habitually resided in Honduras) who have not previously applied for TPS may be eligible to apply under the late initial registration provisions.

Given the timeframes involved with processing TPS re-registrants, the Department of Homeland Security (DHS) recognizes that re-registrants may not receive a new EAD until after their current EAD expires on July 5, 2007. Accordingly, this Notice automatically extends the validity of EADs issued under the TPS designation of Honduras for six months, through January 5, 2008, and explains how TPS beneficiaries and their employers may determine which EADs are automatically extended. New EADs with the January 5, 2009,
