BILLING CODE 4140-01-P

DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

Indian Gaming

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of amendment to approved Tribal-State Compact.

SUMMARY: This notice publishes the Approval of the Tribal-State Compact for Class III Gaming Amendments between the State of Washington and the Chehalis Confederated Tribes, Confederated Tribes of the Colville Reservation, Hoh Indian Tribe, Jamestown S'Klallam Tribe, Kalispel Tribe of Indians, Lower Elwha Klallam Tribe, Lummi Indian Nation, Makah Nation, Muckleshoot Indian Tribe, Nisqually Indian Tribe, Nooksack Indian Tribe, Port Gamble S'Klallam Tribe, Puyallup Tribe of Indians, Quileute Indian Tribe, Quinault Indian Nation, Samish Indian Nation, Sauk-Suiattle Indian Tribe, Shoalwater Bay Tribe, Skokomish Indian Tribe, Snoqualmie Tribe, Squaxin Island Tribe, Stillaguamish Tribe, Suquamish Tribe, Swinomish Tribe, Tulalip Tribes, Upper Skagit Tribe, and the Yakama Nation.

DATES: *Effective Date:* May 31, 2007.

FOR FURTHER INFORMATION CONTACT: George T. Skibine, Director, Office of Indian Gaming, Office of the Deputy Assistant Secretary—Policy and Economic Development, Washington, DC 20240, (202) 219-4066.

SUPPLEMENTARY INFORMATION: Pursuant to Section 11 of the Indian Gaming Regulatory Act of 1988 (IGRA), Public Law 100-497, 25 U.S.C. 2710, the Secretary of the Interior shall publish in the **Federal Register** notice of the approved Tribal-State compacts for the purpose of engaging in Class III gaming activities on Indian lands. This Amendment, effective today, authorizes changes to the authorized games section of the tribes compact. Those changes include changes to the Tribal Lottery Systems in accordance with state law.

George T. Skibine,

Acting Principal Deputy Assistant Secretary—Indian Affairs.

BILLING CODE 4310-4N-P

DEPARTMENT OF THE INTERIOR

National Park Service

Quarry Visitor Center, Draft Environmental Impact Statement, Dinosaur National Monument, Colorado and Utah

AGENCY: National Park Service, Department of the Interior.

ACTION: Notice of availability of the draft environmental impact statement for the quarry visitor center, dinosaur national monument.

SUMMARY: Pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4332(c)(C), the National Park Service announces the availability of a Draft Environmental Impact Statement for the Quarry Visitor Center at Dinosaur National Monument, Colorado and Utah.

The Draft Environmental Impact Statement contains five alternatives.

Alternative A—No Action. The Quarry Visitor Center (QVC) was closed to the staff and public because of serious life safety issues caused by building instability on July 12, 2006. The QVC protected 1,500 dinosaur fossils *in situ* and provided access to the park's primary resource. The building would remain closed to the public; functions would remain displaced; and critical resources would be threatened.

Alternative B—Preferred Alternative—Rehabilitate the Exhibit Hall and Construct a New Facility Off-site. The existing exhibit hall would be rehabilitated to adequately protect fossil resources and provide access to the public. Currently displaced functions would be constructed at a location off-site that has stable soil.

Alternative C—Retain the Exhibit Hall and Construct a New Facility at the Quarry Visitor Center. The exhibit hall would be rehabilitated to protect fossil resources and provide access to the public, and the currently displaced functions would be reconstructed on the unstable soil that has caused building movement for more than 50 years.

Alternative D—Retain the Exhibit Hall and Construct Wings Similar. The exhibit hall would be rehabilitated to protect fossil resources and provide access to the public. The remaining portions of the building would be reconstructed in the original footprint and dysfunctional configuration on the unstable soil that has caused building movement for more than 50 years.

Alternative E—Demolish the Entire Facility and Construct a New Facility at the QVC Site. The entire building would be demolished and rebuilt on the

unstable soil that has caused building movement for more than 50 years.

General Assumptions/Conditions that Apply to all Alternatives—Engineers and architects estimate that only 10% of the historic fabric could be used for any of the alternatives. All alternatives would result in reconstruction, which is not an approved treatment under the Secretary's guidelines. Thus, the National Historic Landmark designation cannot be preserved under any alternative.

DATES: The National Park Service will accept comments on the Draft Environmental Impact Statement from the public for 60 days from the date the Environmental Protection Agency publishes the Notice of Availability. No public meetings are scheduled at this time.

ADDRESSES: Information will be available for public review and comment online at <http://parkplanning.nps.gov>, in the office of the Superintendent, Mary Risser, 4545 E. Highway 40, Dinosaur, CO, (970) 374-3001 and the following locations: The Moffatt County Library, 570 Green St., Craig, CO 81625 and the Uintah County Library, 155 East Main, Vernal, UT 84078.

FOR FURTHER INFORMATION CONTACT: Mary Risser, 4545 E. Highway 40, Dinosaur, CO, (970) 374-3001, Mary_Risser@nps.gov.

SUPPLEMENTARY INFORMATION: If you wish to comment, you may submit your comments by any one of several methods. You may mail comments to Dinosaur National Monument Headquarters, 4545 E. Highway 40, Dinosaur, CO. You may also comment via the Internet at <http://parkplanning.nps.gov>. If you do not receive a confirmation from the system that we have received your Internet message, contact us directly at 970.374.3001. Finally, you may hand-deliver comments to the park headquarters at the above address. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: May 17, 2007.

Michael D. Snyder,

Director, Intermountain Region, National Park Service.

BILLING CODE 4312-CR-M

DEPARTMENT OF THE INTERIOR

National Park Service

Notice of Intent To Conduct a Special Resource Study, Environmental Impact Statement, for the Delaware Coastal Area in the State of Delaware, and To Hold Public Scoping Meetings

AGENCY: National Park Service, Department of the Interior.

ACTION: Notice of Intent to prepare an Environmental Impact Statement for the Special Resource Study for the Delaware Coastal Area in the state of Delaware, and to hold public scoping meetings.

SUMMARY: Pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4332(2)(C), the National Park Service is preparing an Environmental Impact Statement (EIS) for the Special Resource Study (SRS) for the Delaware Coastal Area in the state of Delaware. This SRS was authorized in Public Law 109-338 including its mandate for conformance with section 8(c) of Public Law 91-383. The purpose of an SRS is to determine the degree and kind of Federal actions that may be desirable for the management and protection of an area considered to have potential for addition to the National Park System. This is an SRS of the coastal region of the state of Delaware, and a study of the many themes that relate to how those resources were used throughout history in that region. The study area will include the entire coastal area of the state of Delaware. Additional sites or locations in Delaware may also need to be considered during the study process.

The SRS/EIS will address a range of alternatives including any potential roles for the NPS in preservation and interpretation of the resources of the study area. Alternatives to be considered include: No action, the potential for congressional designation of all or part of the study area as a unit of the National Park system, and any other appropriate alternative that may arise during the study process.

The EIS will assess the impacts of the alternatives presented in the SRS. The public scoping meetings will include a discussion of the SRS and the EIS process including ways that the public can be involved in providing and receiving information, and reviewing and commenting upon the draft study

and associated draft EIS. The purpose of the meeting is to solicit public input prior to formally undertaking the study.

DATES: The Park Service will accept comments from the public through 60 days from the date of publication of the Environmental Protection Agency's Notice of Intent in the **Federal Register**. The place and time of public scoping meetings in both the City of Wilmington and in Georgetown (southern Delaware) will be announced by the National Park Service (NPS) and noticed in local newspapers serving the area. Notice of the meetings will also be posted on the project Web site: www.nps.gov/nero/delasrs.

ADDRESSES: Information will be available for public review and comment online at <http://parkplanning.nps.gov>, or in the NPS Northeast Regional Office, Division of Park Planning and Special Studies, 200 Chestnut Street, Philadelphia, PA 19106.

FOR FURTHER INFORMATION CONTACT: Peter Samuel: Planner/Project Leader, National Park Service, Northeast Region, 200 Chestnut Street, 3rd Floor, Philadelphia, PA 19106-2878. E-mail address: peter_samuel@nps.gov. Telephone: 215-597-1848.

SUPPLEMENTARY INFORMATION: Everyone interested in this study and the future protection and management of this area is encouraged to attend the public scoping meetings or to contact: Peter Samuel, National Park Service Planner/Project Leader, by letter, e-mail or telephone for further information. A summary of the meeting comments will be posted on the project Web site and distributed in hard copy to anyone requesting it. If you wish to comment on the scoping or on any other issues associated with the plan, you may submit your comments by any one of several methods. You may mail comments to Peter Samuel (as listed above). You may also comment via the Internet at <http://parkplanning.nps.gov>. If you do not receive a confirmation from the system that we have received your Internet message, contact us directly at Division of Park Planning and Special Studies, 200 Chestnut Street, Philadelphia, PA 19106-215-597-1848. Finally, you may hand-deliver comments to the address above. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment

to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. We will always make submissions from organizations or businesses, and from individuals identifying themselves as representatives of or officials of organizations or businesses, available for public inspection in their entirety.

Dated: March 2, 2007.

Dennis Reidenbach,

Acting Regional Director, Northeast Region, National Park Service.

BILLING CODE 4312-J6-P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-409 and 731-TA-909 (Review)]

Low Enriched Uranium From France

AGENCY: United States International Trade Commission.

ACTION: Scheduling of full five-year reviews concerning the antidumping and countervailing duty orders on low enriched uranium from France.

SUMMARY: The Commission hereby gives notice of the scheduling of full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) (the Act) to determine whether revocation of the antidumping and countervailing duty orders on low enriched uranium from France would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

EFFECTIVE DATE: April 9, 2007.

FOR FURTHER INFORMATION CONTACT: Nathanael Comly (202-205-3174), Office of Investigations, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov>). The public record for
