On May 18, 2007, Texas Gas Transmission, LLC (Texas Gas) filed a motion to omit the filing of reply comments following the technical conference held on April 17, 2007, in this proceeding, and to shorten the period for filing answers to its motion (May 18 Motion). In its May 18 Motion, Texas Gas stated it contacted each of the parties who filed initial comments, as well as the other parties who either commented on Texas Gas's initial proposal or who participated in the technical conference and subsequent conference call. On May 18, 2007, the Commission issued a notice shortening the period for filing answers to Texas Gas's filing. No comments were filed in response to the May 18 Motion.
