

Exclusions From NREPP

The following types of interventions are not eligible for review and should not be submitted to NREPP:

1. Stand-alone pharmacologic treatments—The evidence base for pharmacologic treatments is reviewed and approved through the U.S. Food and Drug Administration (FDA). NREPP reviews will be limited to on-label use of FDA-approved pharmacotherapy interventions that are combined with one or more psychosocial treatments.

2. Stand-alone smoking prevention and/or cessation interventions—These interventions are appropriate for NREPP review only when they are conducted as part of a program addressing the prevention and/or treatment of alcohol or other drugs of abuse.

Availability of NREPP Review Funds

The number of reviews conducted by NREPP in any given year is contingent on both the total number of submissions received and the availability of NREPP contract resources. SAMHSA cannot guarantee the review of any specific submission.

Submission Guidance

SAMHSA has established a 4-month period for receipt of NREPP submissions in fiscal year 2008 that will begin October 1, 2007, and end February 1, 2008. Interventions submitted after February 1, 2008, will not be considered for NREPP review during this fiscal year. Interventions not selected for review may be resubmitted again in the next open submission period provided they meet NREPP's minimum requirements. All submissions must be

made by the intervention developer or principal investigator. Third parties may submit an intervention, but documentation must be provided to NREPP confirming that the intervention developer or principal investigator has formally authorized the third-party submission.

To be considered for potential review, interventions must demonstrate that they meet NREPP's three minimum requirements. Table 1 depicts the types of documentation that should be submitted so that NREPP staff can accurately assess whether the intervention meets these requirements.

If an intervention is accepted for review, additional supporting documentation and three copies of all hard-copy dissemination materials will need to be submitted.

TABLE 1.—SUGGESTED DOCUMENTATION INDICATING COMPLIANCE WITH MINIMUM REQUIREMENTS

Minimum requirement	Suggested supporting documentation
1. The intervention demonstrates one or more positive outcomes (p ≤ .05) related to mental health and/or substance use behaviors.	Full-text electronic or hard copies of: <ul style="list-style-type: none"> • Research articles. • Published and/or unpublished evaluation reports. • Grant final reports. • Replication studies. Note: Abstracts or URLs to partial articles are regarded as incomplete and will not be considered.
2. Intervention results have been published in a peer-reviewed publication or documented in a comprehensive evaluation report. A comprehensive evaluation report has the following components: Review of the literature, theoretical framework, purpose, methodology, findings/results, discussion, and conclusions.	<ul style="list-style-type: none"> • List of dissemination materials (e.g., manuals, process guides, tools, training materials, quality assurance protocols) that are available to the public. • Materials catalog. • Program Web site.
3. Documentation of the intervention and its implementation is available to the public to facilitate dissemination.	

Selection and Ordering of Reviews

All submitted interventions meeting NREPP's minimum requirements will be considered for NREPP review. The selection of interventions and order of reviews will be determined in part by a system of priority points on the SAMHSA Center Priority Areas described above. Interventions awarded 2 priority points have higher priority than those awarded 1 priority point, and interventions awarded 1 priority point have higher priority than those awarded 0 priority points. In addition, SAMHSA reserves the right to select interventions based on other factors to ensure that NREPP provides a balanced portfolio of information relating to the prevention and/or treatment of mental health and/or substance use disorders.

NREPP submissions not selected for review will be returned to the applicant. These submissions will not automatically be considered for review

in subsequent submission cycles; however, applicants may choose to resubmit their intervention at a later date.

The number of reviews that NREPP actually undertakes in any given year will depend upon available contract resources.

Contact Regarding Submissions

Individuals and organizations interested in submitting an intervention should contact the NREPP contractor, MANILA Consulting Group, to express their interest. Staff from MANILA will provide further guidance and details about the submission process as appropriate. Electronic correspondence (e-mail) is preferred and can be sent to nrepp@samhsa.hhs.gov. Interested parties can also contact MANILA by phone at (571) 633-9797, ext. 406.

BILLING CODE 4160-01-M

DEPARTMENT OF THE INTERIOR

Office of the Secretary

Privacy Act of 1974, as Amended; Addition of a New System of Records

AGENCY: Department of the Interior, Office of the Secretary.

ACTION: Proposed addition of a new system of records.

SUMMARY: The Department of the Interior (DOI) is issuing public notice of its intent to add a new Privacy Act system of records to its inventory of records systems subject to the Privacy Act of 1974 (5 U.S.C. 552a). The Privacy Act requires publication of a **Federal Register** notice of the existence and character of records systems maintained by the agency (5 U.S.C. 552 a e)(4)). The new system of records is "DOI-06" and is titled "The 'America The Beautiful—The National Parks and Federal

Recreational Lands Pass' System" (hereinafter "the Pass System").

DATES: 5 U.S.C. 552a(e)(11) requires that the public be provided a 30-day period in which to comment on the intended use of the information in the Pass System. The Office of Management and Budget, in its Circular A-130, requires an additional 10-day period (for a total of 40 days) in which to comment. Any persons interested in commenting on the proposed Pass System may do so by submitting comments in writing to the National Park Service Privacy Act Officer, U.S. Department of the Interior, 1849 C Street, NW., Washington, DC 20240, or by e-mail at diane_cooke@nps.gov. Comments received within 40 days of the date of publication in the **Federal Register** will be considered. The notice will be effective as proposed at the end of the comment period unless comments are received that would require substantial modifications to the Pass System. In that case, the Department will re-publish the notice.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

FOR FURTHER INFORMATION CONTACT: Ben Simon, Office of Policy Analysis, at Benjamin_Simon@ios.doi.gov, MS-3530-MIB, 1849 C St., NW., Washington, DC 20240. Phone: 202-208-4916. Fax: 202-208-4867.

SUPPLEMENTARY INFORMATION: The Pass System will contain information about (a) organizations and individuals who purchase and/or receive the "America The Beautiful—The National Parks and Federal Recreational Lands Pass" (hereinafter "the Pass"), and (b) individuals who register to receive information about the Pass program and stewardship opportunities. The information collected will be that needed to process financial transactions to complete Pass purchase requests; fulfill Passes to individuals ("fulfill" and "fulfillment" refer to shipping and handling of Passes), Federal recreation sites, and third parties; and provide such associated customer services as sending anniversary renewal notices and providing information about the Pass program and Federal lands. Any entity authorized to sell and fulfill Passes on behalf of the government will

be barred from selling, renting, licensing, sharing, or disclosing to third parties any personal information collected. Any such entity will also be barred from using any personal information collected for purposes other than to sell and fulfill Passes. Informational or promotional messages will be sent to individuals only if they have affirmatively requested such messages through an "opt-in" mechanism.
