United States v. Cemex, S.A.B. de C.V., Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h), that a proposed Final Judgment, Hold Separate Stipulation and Order, and Competitive Impact Statement have been filed with the United States District Court for the District of Columbia in *United States v. The proposed Final Judgment requires Cemex, once it obtains control of Rinker, to divest (1) Ready mix concrete plants in the metropolitan areas of Fort Walton Beach/Panama City/Pensacola, Jacksonville, Orlando, Tampa/St. Petersburg, and Fort Myers/Naples, Florida and the metropolitan areas Flagstaff and Tucson, Arizona; (2) concrete block plants in metropolitan

Tampa/St. Petersburg and Fort Myers/Naples, Florida; and (3) aggregate plants in metropolitan Tucson, Arizona.

United States District Court for the District of Columbia

United States of America, Department of Justice, Antitrust Division, 1401 H Street, NW., Suite 3000, Washington, DC 20530, Plaintiff, v. Cemex, S.A.B. de C.V., Av. Ricardo Margàin Zozaya #325, Colonia del Valle Campestre, Garza García, Nuevo León, Mexico 66265, and Rinker Group Limited, Level 8, Tower B, 799 Pacific Highway, Chatsworth, NSW 2067, Australia, Defendants.

Case No.: 1:07-cv-00640.

Judge: Hon. Royce C. Lamberth.

Deck Type: Antitrust.

Date Stamp: May 2, 2007.

Amended Complaint

Plaintiff United States of America ("United States"), acting under the direction of the Attorney General of the United States, brings this civil antitrust action to obtain equitable and other relief against defendants, Cemex, S.A.B. de C.V. ("Cemex") and Rinker Group Limited ("Rinker") to prevent Cemex's proposed acquisition of Rinker. Plaintiff complains and alleges as follows:

I. Nature of the Action

1. On October 27, 2006, Cemex Australia Pty Ltd., an entity controlled by Cemex, initiated a hostile cash tender offer to acquire all of the outstanding

shares of Rinker. The total enterprise value of the transaction offer when made on October 27, 2007, including Rinker's debt, was approximately \$12 billion. The offer was due to expire on March 30, 2007, but Cemex extended it until April 27, 2007.

2. On April 9, 2007, Cemex announced that it had signed an agreement with Rinker, pursuant to which Cemex increased its offer to make the total enterprise value of the transaction, including Rinker's debt, approximately \$15 billion. This offer expired on May 18, 2007, and it is subject to the acquisition of 90 percent of Rinker's shares. As part of the agreement, Rinker's Board of Directors unanimously agreed to recommend to its shareholders that they accept Cemex's increased offer at the higher price, in the absence of a superior proposal.

3. Cemex and Rinker both produce and distribute building materials, including, among other things, ready mix concrete, aggregate, and concrete block, throughout the world.

4. The combination of Cemex and Rinker would create one of the world's largest building materials companies. Cemex's proposed acquisition of Rinker would reduce the number of significant suppliers of ready mix concrete in various metropolitan areas in Florida and Arizona, of concrete block in several metropolitan areas in Florida, and of aggregate in Tucson, Arizona.

5. The United States brings this action to prevent the proposed acquisition because it would substantially lessen competition in the production and distribution of ready mix concrete in the metropolitan areas of Fort Walton Beach/Panama City/Pensacola, Jacksonville, Orlando, Tampa/St. Petersburg, Fort Myers/Naples, Florida, and the metropolitan areas of Flagstaff and Tucson, Arizona. In addition, the acquisition would substantially lessen competition in the production and distribution of concrete block in metropolitan Tampa/St. Petersburg and Fort Myers/Naples, Florida. Finally, the acquisition would substantially lessen competition in the production and distribution of aggregate in metropolitan Tucson, Arizona.

II. Parties to the Proposed Transaction

6. Defendant Cemex is organized under the laws of the United Mexican States with its principal place of business in Nuevo León, Mexico. Cemex operates in the United States through its wholly owned subsidiary, Cemex, Inc., which has its principal place of business in Houston, Texas. In 2006,
