

meeting. A notice in the **Federal Register** about last minute modifications that impact a previously announced advisory committee meeting cannot always be published quickly enough to provide timely notice. Therefore, you should always check the agency's Web site and call the appropriate advisory committee hot line/phone line to learn about possible modifications before coming to the meeting.

Agenda: The committee will discuss the following new drug applications (NDAs): (1) NDA 022-042, EVISTA (raloxifene hydrochloride) Tablets, Eli Lilly and Co., proposed indications for the reduction in risk of invasive breast cancer in postmenopausal women with osteoporosis, and for the reduction in risk of invasive breast cancer in postmenopausal women at high risk of breast cancer; and (2) NDA 021-801, proposed trade name ORPLATNA (satraplatin capsules), GPC Biotech Inc., proposed indication for the treatment of patients with androgen independent (hormone refractory) prostate cancer (HRPC) that has failed prior chemotherapy.

FDA intends to make background material available to the public no later than 2 business days before the meeting. If FDA is unable to post the background material on its Web site prior to the meeting, the background material will be made publicly available at the location of the advisory committee meeting, and the background material will be posted on FDA's Web site after the meeting. Background material is available at <http://www.fda.gov/ohrms/dockets/ac/acmenu.htm>, click on the year 2007 and scroll down to the appropriate advisory committee link.

Procedure: Interested persons may present data, information, or views, orally or in writing, on issues pending before the committee. Written submissions may be made to the contact person on or before July 10, 2007. Oral presentations from the public will be scheduled between approximately 10:30 a.m. to 11 a.m., and 3:30 p.m. to 4 p.m. Those desiring to make formal oral presentations should notify the contact person and submit a brief statement of the general nature of the evidence or arguments they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation on or before July 2, 2007. Time allotted for each presentation may be limited. If the number of registrants requesting to speak is greater than can be reasonably accommodated during the scheduled open public hearing session, FDA may conduct a lottery to determine the

speakers for the scheduled open public hearing session. The contact person will notify interested persons regarding their request to speak by July 3, 2007.

Persons attending FDA's advisory committee meetings are advised that the agency is not responsible for providing access to electrical outlets.

FDA welcomes the attendance of the public at its advisory committee meetings and will make every effort to accommodate persons with physical disabilities or special needs. If you require special accommodations due to a disability, please contact Johanna Clifford at least 7 days in advance of the meeting.

Notice of this meeting is given under the Federal Advisory Committee Act (5 U.S.C. app. 2).

Dated: June 6, 2007.

Randall W. Lutter,

Associate Commissioner for Policy and Planning.

BILLING CODE 4160-01-S

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Recruitment of Sites for Assignment of Corps Personnel

AGENCY: Health Resources and Services Administration (HRSA), HHS.

ACTION: General notice.

SUMMARY: The Health Resources and Services Administration (HRSA) announces that the listing of entities, and their Health Professional Shortage Area (HPSA) scores, that will receive priority for the assignment of National Health Service Corps (NHSC) personnel (Corps Personnel, Corps members) for the period July 1, 2007 through June 30, 2008 is posted on the NHSC Web site at <http://nhsc.bhpr.hrsa.gov/resources/fedreg-hpol/>. This list specifies which entities are eligible to receive assignment of Corps members who are participating in the NHSC Scholarship Program, the NHSC Loan Repayment Program, and Corps members who have become Corps members other than pursuant to contractual obligations under the Scholarship or Loan Repayment Programs. Please note that not all vacancies associated with sites on this list will be for Corps members, but could be for individuals serving an obligation to the NHSC through the Private Practice Option.

Eligible HPSAs and Entities

To be eligible to receive assignment of Corps personnel, entities must: (1) Have a current HPSA designation by the Shortage Designation Branch in the Office of Workforce Evaluation and Quality Assurance, Bureau of Health Professions, Health Resources and Services Administration; (2) enter into an agreement with the State agency that administers Medicaid, accept payment under Medicare and the State Children's Health Insurance Program, see all patients regardless of their ability to pay, and use and post a discounted fee plan; and (3) be determined by the Secretary to have (a) a need and demand for health manpower in the area; (b) appropriately and efficiently used Corps members assigned to the entity in the past; (c) general community support for the assignment of Corps members; (d) made unsuccessful efforts to recruit; and (e) a reasonable prospect for sound fiscal management by the entity with respect to Corps members assigned there. Priority in approving applications for assignment of Corps members goes to sites that (1) provide primary, mental, and/or oral health services to a HPSA of greatest shortage; (2) are part of a system of care that provides a continuum of services, including comprehensive primary health care and appropriate referrals or arrangements for secondary and tertiary care; (3) have a documented record of sound fiscal management; and (4) will experience a negative impact on its capacity to provide primary health services if a Corps member is not assigned to the entity.

Entities that receive assignment of Corps personnel must assure that (1) the position will permit the full scope of practice and that the clinician meets the credentialing requirements of the State and site; and (2) the Corps member assigned to the entity is engaged in full-time clinical practice at the approved service location for a minimum of 40 hours per week with at least 32 hours per week in the ambulatory care setting. Obstetricians/gynecologists, certified nurse midwives (CNMs), and family practitioners who practice obstetrics on a regular basis, are required to engage in a minimum of 21 hours per week of outpatient clinical practice. The remaining hours, making up the minimum 40-hour per week total, include delivery and other clinical hospital-based duties. For all Corps personnel, time spent on-call does not count toward the 40 hours per week. In addition, sites receiving assignment of Corps personnel are expected to (1) report to the NHSC all absences in excess of the authorized number of days

(up to 35 work days or 280 hours per contract year); (2) report to the NHSC any change in the status of an NHSC clinician at the site; (3) provide the time and leave records, schedules, and any related personnel documents for NHSC assignees (including documentation, if applicable, of the reason(s) for the termination of an NHSC clinician's employment at the site prior to his or her obligated service end date); and (4) submit a Uniform Data System (UDS) report. The UDS system allows the site to assess the age, sex, race/ethnicity of, and provider encounter records for, its user population. The UDS reports are site specific. Providers fulfilling NHSC commitments are assigned to a specific site or, in some cases, more than one site. The scope of activity to be reported in UDS includes all activity at the site(s) to which the Corps member is assigned.

Evaluation and Selection Process

In approving applications for the assignment of Corps members, the Secretary shall give priority to any such application that is made regarding the provision of primary health services to a HPSA with the greatest shortage. For the program year July 1, 2007–June 30, 2008, HPSAs of greatest shortage for determination of priority for assignment of Corps personnel will be defined as follows: (1) Primary care HPSAs with scores of 14 and above are authorized for the assignment of Corps members who are primary care physicians, family nurse practitioners (NPs), physician assistants (PAs), or CNMs participating in the Scholarship Program; (2) mental health HPSAs with scores of 19 and above are authorized for the assignment of Corps members who are psychiatrists participating in the Scholarship Program; (3) dental HPSAs with scores of 18 and above are authorized for the assignment of Corps members who are dentists participating in the Scholarship Program; and (5) HPSAs (appropriate to each discipline) with scores of 17 and above are authorized for priority assignment of Corps members who are participating in the Loan Repayment Program. HPSAs with scores below 17 will be eligible to receive assignment of Corps personnel participating in the Loan Repayment Program only after assignments are made of those Corps members matching to those HPSAs receiving priority for placement of Corps members through the Loan Repayment Program (i.e., HPSAs scoring 17 or above). Placements made through the Loan Repayment Program in HPSAs with scores 16 or below will be made by decreasing HPSA score, and only to the extent that funding remains available. All sites on the list are eligible sites for

individuals wishing to serve in an underserved area but who are not contractually obligated under the Scholarship or Loan Repayment Program. A listing of HPSAs and their scores is posted at <http://hpsafind.hrsa.gov/>.

Sites qualifying for automatic primary care and dental HPSA designations have been scored and may be authorized to receive assignment of Corps members if they meet the criteria outlined above and their HPSA scores are above the stated cutoffs. If there are any sites on the list with an unscored HPSA designation they are authorized for the assignment of Corps personnel participating in the Loan Repayment Program only, after assignments are made of those Corps members matching to scored HPSAs and only to the extent that funding remains available. When these HPSAs receive scores, these sites will then be authorized to receive assignment of Corps members if they meet the criteria outlined above and their newly assigned scores are above the stated cutoffs.

The number of new NHSC placements through the Scholarship and Loan Repayment Programs allowed at any one site are limited to the following:

(1) Primary Health Care

(a) Loan Repayment Program—no more than 2 allopathic (MD) or osteopathic (DO) physicians; and no more than a combined total of 2 NPs, PAs, or CNMs.

(b) Scholarship Program—no more than 2 physicians (MD or DO); and no more than a combined total of 2 NPs, PAs, or CNMs.

(2) Dental

(a) Loan Repayment Program—no more than 2 dentists and 2 dental hygienists.

(b) Scholarship Program—no more than 1 dentist.

(3) Mental Health

(a) Loan Repayment Program—no more than 2 psychiatrists (MD or DO); and no more than a combined total of 2 clinical or counseling psychologists; licensed clinical social workers, licensed professional counselors, marriage and family therapists, or psychiatric nurse specialists.

(b) Scholarship Program—no more than 1 psychiatrist.

Application Requests, Dates and Address

The list of HPSAs and entities that are eligible to receive priority for the placement of Corps personnel may be updated periodically. Entities that no

longer meet eligibility criteria, including HPSA score, will be removed from the priority listing. Entities interested in being added to the high priority list must submit an NHSC Recruitment and Retention Assistance Application to: National Health Service Corps, 5600 Fishers Lane, Room 8A–08, Rockville, MD 20857, fax 301–594–2721. These applications must be submitted on or before the deadline date of March 28, 2008. Applications submitted after this deadline date will be considered for placement on the priority placement list in the following program year. Any changes to this deadline will be posted on the NHSC Web site at <http://nhsc.bhpr.hrsa.gov>.

Entities interested in receiving application materials may do so by calling the HRSA call center at 1–800–221–9393. They may also get information and download application materials from: <http://nhsc.bhpr.hrsa.gov/applications/rra.cfm>.

Additional Information

Entities wishing to provide additional data and information in support of their inclusion on the proposed list of HPSAs and entities that would receive priority in assignment of Corps members, must do so in writing no later than July 16, 2007. This information should be submitted to: Susan Salter, Chief, Site Identification and Application Branch, Division of National Health Service Corps, 5600 Fishers Lane, Room 8A–08, Rockville, MD 20857. This information will be considered in preparing the final list of HPSAs and entities that are receiving priority for the assignment of Corps personnel.

Paperwork Reduction Act: The Recruitment & Retention Assistance Application has been approved by the Office of Management and Budget under the Paperwork Reduction Act. The OMB clearance number is 0915–0230.

The program is not subject to the provisions of Executive Order 12372, Intergovernmental Review of Federal Programs (as implemented through 45 CFR part 100).

Dated: June 7, 2007.

Elizabeth M. Duke,
Administrator.
