

behalf of sixty-one broadcast television stations. These stations are listed below. Any party that objects to another party's claim to specialty station status should submit specific and factual comments as to which station(s) he or she objects to, and why. A final annotated list of specialty stations including references to any objections filed against a particular station licensee's claim will be published in the **Federal Register**.

Copyright Office licensing examiners shall refer to the final annotated list in examining a statement of account where a cable system operator claims specialty station status for a particular station. If a cable system operator claims specialty station status for a station not on the published final list, the examiner determines whether the owner of the station has filed an affidavit since publication of the list. Affidavits received after publication of the final annotated list shall be kept on file in the Licensing Division of the Copyright Office. Any interested party may file an objection to any such late-filed affidavit and the objection shall be filed together with the corresponding affidavit.
