NMSP Florida Keys National Marine Sanctuary (FKNMS)	339.05

The FY 2003 rates identified in this policy will be applied to all damage assessment and restoration case costs incurred between October 1, 2002 and September 30, 2003, using the Direct Labor Cost Base allocation methodology. For cases that have settled and for costs claims paid prior to the effective date of the fiscal year in question, the NMSP will not re-open any resolved matters for the purpose of applying the rates in this policy. For cases not settled and cost claims not paid prior to the effective date of the fiscal year in question, costs may be recalculated using the rates in this policy. The NMSP will use the FY 2003 rates for future fiscal years until year-specific rates can be developed.
