**ADDRESSES:** The public information forum will be held at the Radisson Stapleton Plaza, 3333 Quebec Street, Denver, Colorado.

Send Letters of Interest to Mr. James D. Keselburg, Regional Manager, Rocky Mountain Region, Western Area Power Administration, 5555 East Crossroads Boulevard, Loveland, CO 80538-8986, or e-mail [POST2009LAP@wapa.gov](mailto:POST2009LAP@wapa.gov).

**SUPPLEMENTARY INFORMATION:** On October 20, 1995, Western published the Final Program Rule at 60 FR 54151. The Final Rule became effective on November 20, 1995. Subpart C-Power Marketing Initiative of the Program, 10 CFR part 905, provides for project-specific resource pools and allocations of power from these pools to eligible new customers and/or for other appropriate purposes as determined by Western. The goal of the Program is to require planning for efficient electric

energy use by Western's long-term firm power customers. Specifically, 10 CFR part 905.32 (b) provides:

At two 5-year intervals after the effective date of the extension to existing customers, Western shall create a project-specific resource pool increment of up to an additional 1 percent of the long-term marketable resource under contract at the time. The size of the additional resource pool increment shall be determined by Western based on consideration of the actual fair-share needs of eligible new customers and other appropriate purposes.

Letters of Interest for the proposed LAP resource pool should contain the following information: Name(s) of the interested entity, entity's interest, geographic location of the entity, and suggested appropriate purposes of the resource pool. Letters of Interest will aid Western in determining potential eligible new customers as well as the appropriate purposes for the proposed resource pool. All Letters of Interest must be received by 4 p.m., MDT, on August 20, 2007. Letters of Interest submitted via regular mail through the United States Postal Service will be accepted if postmarked at least 3 days before August 20, 2007, and received no later than August 24, 2007. Western reserves the right to not consider any Letters of Interest that are received after the prescribed dates. Western does not consider that a Letter of Interest is an application for power from the proposed LAP Resource Pool. If Western decides to create the resource pool, it will publish a separate **Federal Register** notice seeking applications.
