11. *Request for Program Consultation—20 CFR 404.1601-1661-0960 New.*

The Disability Determination Services (DDS) offices are staffed by State employees who perform disability determinations for applicants for Social Security disability benefits under Title II and Title XVI of the Social Security Act. SSA's federal regional quality assurance office has the authority to review DDS determinations, to assess errors, and to return cases for corrective action by the DDS.

The information collected on the Request for Program Consultation (RPC) will be used by the DDS's that request a review of the regional quality assurance evaluations. The DDS's use the RPC to present their rationale that supports their determinations. The information collected includes a short rationale and policy citations supporting their rebuttal. The RPC team will use the information to reassess their initial determination. The respondents are DDS's who request a review of the regional quality assurance determination.

Type of Request: Request for a new information collection.

Number of Respondents: 4,500.

Frequency of Response: 1.

Average Burden per Response: 30 minutes.

Estimated Annual Burden: 2,250 hours.*

*SSA inadvertently cited an incorrect burden hour in the first FRN dated April 23, 2007 and the second FRN dated June 13, 2007. This notice serves as a correction.

Dated: June 21, 2007.

SUPPLEMENTARY INFORMATION: We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary to properly perform our functions.
- Evaluate the accuracy of our estimate of the burden of the proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond.

Abstract of proposed collection: The Form DS–203 is necessary to document imports of shrimp pursuant to the State Department's implementation of Section 609 of Public Law 101–162, which prohibits the entry into the United States of shrimp harvested in ways which are harmful to sea turtles. Respondents are shrimp exporters and government officials in countries which export shrimp to the United States. The DS 2031 Form is to be retained by the importer for a period of three years subsequent to entry, and during that time is to be made available to U.S. Customs and Border Protection or the Department of State upon request.

Methodology: The DS–2031 form is completed by the exporter, the importer, and under certain conditions a government official of the exporting country. The DS–2031 Form accompanies shipment of shrimp and shrimp products to the United States and is to be made available to U.S. Customs and Border Protection at the time of entry.

Dated: May 10, 2007.

David A. Balton,

Deputy Assistant Secretary for Oceans and Fisheries, Department of State.
