BILLING CODE 4830-01-P

DEPARTMENT OF LABOR

Mine Safety and Health Administration

30 CFR Part 3

OMB Control Numbers Under the Paperwork Reduction Act

AGENCY: Mine Safety and Health Administration (MSHA), Labor.

ACTION: Final rule; technical amendment.

SUMMARY: This technical amendment updates MSHA’s listing of Office of Management and Budget (OMB) control numbers for the Agency’s standards and regulations. MSHA is prohibited from conducting a collection of information unless the Agency displays a currently valid OMB control number. This consolidated listing assists the public in searching for current MSHA standards and regulations that include information collection, recordkeeping, and reporting requirements approved by OMB under the Paperwork Reduction Act of 1995.

EFFECTIVE DATE: June 29, 2007.

FOR FURTHER INFORMATION CONTACT: Patricia W. Silvey, Director; Office of Standards, Regulations, and Variances, MSHA at *silvey.patricia@dol.gov* (E-mail); 202-693-9440 (Voice); 202-693-9441 (Facsimile).

SUPPLEMENTARY INFORMATION: MSHA first consolidated the listing of OMB control numbers in a final rule published on June 29, 1995 (60 FR 33719). This action codified the OMB control numbers for MSHA standards and regulations in one location to assist the public in quickly determining whether OMB has approved a specific information collection requirement. Table 1 in 30 CFR 3.1 displays the OMB control number for each section containing a requirement for the collection, reporting, recordkeeping, or dissemination of information.

MSHA is prohibited from conducting a collection of information unless it displays a currently valid OMB control number and informs potential responders that they are not required to respond unless the collection of information displays a currently valid OMB control number. By publishing this list, MSHA is following the recommendation of OMB pursuant to 5 CFR 1320.3(f)(3) and 1320.5(b)(2)(ii)(C) that, even where an agency has already provided the above information “in a manner reasonably calculated to inform the public,” the agency should also “publish such information along with a table or codified section of OMB control numbers to be included in the *Code of Federal Regulations*.”

This revision updates MSHA’s current list of OMB control numbers to include new control numbers approved by OMB for standards and regulations completed since the last update and any changes made through the renewal of previously issued OMB control numbers.

Information collection requirements go through the public review process, including notice and comment, as part of the rule to which they apply. Likewise, the renewal of an OMB control number also requires public review. As a result, MSHA finds that it is unnecessary to have further public notice and comment and that, therefore, there is “good cause” under 5 U.S.C. 553(b)(B) of the Administrative Procedure Act (APA) to issue this technical amendment to Table 1 in 30 CFR part 3 without prior public notice and comment.

MSHA also determined that it is unnecessary to delay the effective date. This technical amendment contains no new requirements for which the public would need time to plan compliance, beyond that provided for in the regulation itself. MSHA finds, therefore, that there is “good cause” to except this action from the 30-day delayed effective date requirement under 5 U.S.C. 553(d)(3) of the APA.

BILLING CODE 4510-43-P

DEPARTMENT OF VETERANS AFFAIRS**38 CFR Part 21**

RIN 2900-AK80

Veterans and Dependents Education: Topping-Up Tuition Assistance; Licensing and Certification Tests; Duty To Assist Education Claimants; Correction**AGENCY:** Department of Veterans Affairs.**ACTION:** Correcting amendment.

SUMMARY: The Department of Veterans Affairs (VA) published a document in the *Federal Register* on April 5, 2007 (72 FR 16962), amending the regulations governing various aspects of the education programs that VA administers. That document contained several technical errors: reference to two subparts that were not specifically

identified, incorrect words used to identify the individuals eligible for a particular program of educational assistance, and incorrect references when citing to other provisions of VA's regulations. This document corrects those errors.

DATES: *Effective Date:* June 29, 2007.

Applicability Dates: The corrections to § 21.4131(a)(ii) and (d) (concerning educational assistance for licensing and certification tests) are applied retroactively to March 1, 2001. The corrections to §§ 21.7075 and 21.7142(b) (concerning "tuition assistance top-up") are applied retroactively to October 30, 2000. These accord with the applicability dates stated under DATES at 72 FR 16962 for provisions with those respective subject matters.

FOR FURTHER INFORMATION CONTACT:

Diane M. Walters, Management and Program Analyst, Education Service, Veterans Benefits Administration, Department of Veterans Affairs (225C), 810 Vermont Avenue, NW., Washington, DC 20420, (202) 461-9849. (This is not a toll-free telephone number.)

SUPPLEMENTARY INFORMATION: On April 5, 2007, VA published a document in the *Federal Register* (72 FR 16962) amending its education regulations to implement VA's authority under the Veterans Benefits and Health Care Improvement Act of 2000, the Veterans Claims Assistance Act of 2000, and the Floyd D. Spence National Defense Authorization Act for Fiscal Year 2001. In part, these Acts provided educational assistance under the Survivors' and Dependents' Educational Assistance Program (DEA), the Post-Vietnam Era Veterans' Educational Assistance Program, and the Montgomery GI Bill-Active Duty for the cost of taking tests for licensure or certification.

In subpart D, in the introductory text of § 21.4131, we made reference to subparts C and G, but in subsequent paragraphs (a)(2)(ii) and (d)(2)(ii), we referred to "this subpart" rather than identifying the applicable subparts. This document corrects that error by specifying "subpart G" in paragraph (a)(2)(ii) and "subpart C" in paragraph (d)(2)(ii).

In § 21.4131(d), in describing individuals eligible for DEA, the provisions of § 21.4131(d) introductory text properly refer to "a person eligible to receive educational assistance under 38 U.S.C. chapter 35" and in § 21.4131(d)(1)(i) properly refer to "the eligible person", but when amending § 21.4131(d)(2) we twice incorrectly referred instead to "the veteran or servicemember", even though

individuals eligible for DEA need not have had any military service. This document corrects that error by referring instead to "the eligible person" in the first instance and "he or she" in the second instance.

When revising § 21.7075, a typographical error occurred in the last sentence of § 21.7075, in the cross-reference citation. This document corrects that error by removing "§ 21.7076(b)(11)" and replacing it with "§ 21.7076(b)(10)".

Lastly, when revising § 21.7142, we mistakenly in § 21.7142(b)(5)(ii) cited to the wrong paragraphs. This document corrects that error by removing "paragraph (a)(1) or (a)(2)" and replacing it with "paragraph (b)(1) or (b)(2)".
