#### B. Review Standards

1. All applications for grants must be delivered to Rural Development at the address and by the date specified in this notice (see also 7 CFR 1739.2) to be eligible for funding. Rural Development will review each application for conformance with the provisions of this part. Rural Development may contact the applicant for additional information or clarification.

2. Incomplete applications as of the deadline for submission will not be considered. If an application is determined to be incomplete, the applicant will be notified in writing and the application will be returned with no further action.

3. Applications conforming with this part will then be evaluated competitively by a panel of RUS employees selected by the Administrator of Rural Development, and will be awarded points as described in the scoring criteria in 7 CFR 1739.17. Applications will be ranked and grants awarded in rank order until all grant funds are expended.

4. Regardless of the score an application receives, if Rural Development determines that the Project is technically or financially infeasible, Rural Development will notify the applicant, in writing, and the application will be returned with no further action.

#### C. Selection Process

Rural Development selects applications based on those rankings, subject to the availability of funds.

### VI. Award Administration Information

#### A. Award Notices

Rural Development recognizes that each funded project is unique, and therefore may attach conditions to a project as part of the award. Rural Development generally notifies applicants whose projects are selected for awards by faxing an award letter. Rural Development follows the award letter with a grant agreement that contains all the terms and conditions for the grant. An applicant must execute and return the grant agreement, accompanied by any additional items required by the grant agreement.

#### B. Administrative and National Policy Requirements

The items listed in paragraph IV.B.2.k of this notice, and the Community Connect Grant Program regulation, application guide and accompanying materials implement the appropriate administrative and national policy requirements.

#### C. Reporting

1. *Performance reporting.* All recipients of Community Connect Grant Program financial assistance must provide annual performance activity reports to Rural Development until the project is complete and the funds are expended. A final performance report is also required; the final report may serve as the last annual report. The final report must include an evaluation of the success of the project. See 7 CFR 1739.19.

2. *Financial reporting.* All recipients of Community Connect Grant Program financial assistance must provide an annual audit, beginning with the first year a portion of the financial assistance is expended. Audits are governed by United States Department of Agriculture audit regulations. Please see 7 CFR 1739.20.
