Article 17.5 also requires, unless the Parties otherwise agree, that each meeting of the Council include a session in which members of the Council have an opportunity to meet with the public to discuss matters relating to the implementation of Chapter 17.5.

In addition, in Article 17.9 of the Chapter, the Parties recognize the importance of strengthening capacity to protect the environment and to promote sustainable development in concert with strengthening trade and investment relations and their commitment to expanding their cooperative relationship on environmental matters. Article 17.9 also notes that the Parties have negotiated an Environmental Cooperation Agreement (ECA) that sets out certain priority areas of cooperation on environmental activities. These priority areas also are reflected in Annex 17.9 and include, among other things, conserving and managing shared, migratory, and endangered species in international trade; exchanging information on domestic implementation of multilateral environmental agreements that all the Parties have ratified; and strengthening each Party’s environmental management systems, including reinforcing institutional and legal frameworks and the capacity to develop, implement, administer, and enforce environmental

laws, regulations, standards, and polices.

The Council held its first meeting on May 24, 2006, in Guatemala City, Guatemala. At that meeting, the Council discussed issues of mutual concern related to Chapter 17 of the CAFTA-DR, including the establishment of a Secretariat for Environmental Matters (“the Secretariat”). At this meeting, a framework for future regional environmental cooperation will also be discussed.
