In accordance with section 351.213(b) of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends

for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

As explained in Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties, 68 FR 23954 (May 6, 2003), the Department has clarified its practice with respect to

the collection of final antidumping duties on imports of merchandise where intermediate firms are involved. The public should be aware of this clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. See also the Import Administration web site at <http://ia.ita.doc.gov>.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W.,

Washington, D.C. 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Operations, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of July 2007. If the Department does not receive, by the last day of July 2007, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the U.S. Customs and Border Protection to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: June 26, 2007.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Import Administration.

Honey from the People's Republic of China: Preliminary Results of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") is currently conducting the semi-annual 2005-2006 new shipper review of the antidumping duty order on honey from the People's Republic of China ("PRC"). We preliminarily determine to apply adverse facts available ("AFA") with respect to Shanghai Bloom International Trading Co., Ltd. ("Shanghai Bloom"),

which failed to cooperate to the best of its ability, provided unverifiable information, and impeded the proceeding. If these preliminary results are adopted in our final results of this review, we will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on entries of subject merchandise during the period of review ("POR") for which the importer-specific assessment rates are above *de minimis*.

Interested parties are invited to comment on these preliminary results. We will issue the final results no later than 120 days from the date of publication of this notice.

EFFECTIVE DATE: July 3, 2007)

FOR FURTHER INFORMATION CONTACT: Erin Begnal or Anya Naschak, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1442 or (202) 482-6375, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 21, 2006, the Department received a timely request from Shanghai Bloom, in accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on honey from the People's Republic of China ("PRC"). On July 20, 2006, the Department extended the deadline to initiate Shanghai Bloom's new shipper review, in order to clarify certain information contained in Shanghai Bloom's request for a new shipper review. On August 30, 2006, after receiving supplemental information from Shanghai Bloom, the Department found that the request for review with respect to Shanghai Bloom met all of the regulatory requirements set forth in 19 CFR 351.214(b) and initiated a antidumping duty new shipper review covering the period December 1, 2005, through June 30, 2006. *See Honey from the People's Republic of China: Initiation of New Shipper Antidumping Duty Review*, 71 FR 52764 (September 7, 2006)

("Initiation Notice").

On September 11, 2006, the Department issued an antidumping duty questionnaire to Shanghai Bloom. *See* Letter to Shanghai Bloom from Carrie Blozy, Program Manager, AD/CVD Operations, Office 9 (September 11, 2006). On October 2, 2006, Shanghai Bloom responded to section A of the

Department's questionnaire. On October 18, 2006, Shanghai Bloom submitted its response to sections C and D, and importer-specific questions of the Department's questionnaire. On October 26, 2006, the Department issued a supplemental questionnaire to Shanghai Bloom, and received Shanghai Bloom's response on November 24, 2006. On January 3, 2007, the Department issued a second supplemental questionnaire to Shanghai Bloom. Shanghai Bloom submitted its response and its importer's response to the Department's second supplemental questionnaire on January 31, 2007.

On January 9, 2007, the Department extended the deadline for the preliminary results of the new shipper review until June 26, 2007. *See Notice of Extension of the Preliminary Results of Antidumping Duty New Shipper Review: Honey From the People's Republic of China*, 72 FR 947 (January 9, 2007).

On March 20, 2007, the Department rejected Shanghai Bloom's January 31, 2007, response on the grounds that proprietary information was not sufficiently summarized in the public version. On March 22, 2007, per the Department's instruction, Shanghai Bloom resubmitted its response as well as its importer's response to the Department's second supplemental questionnaire. On March 29, 2007, Shanghai Bloom submitted revised FOP spreadsheets and reconciliation charts that related to its March 22, 2007, filing. On March 30, 2007, the Department issued Shanghai Bloom a third supplemental questionnaire. The Department received Shanghai Bloom's response and its importer's response to the third supplemental questionnaire on April 13, 2007. On April 19, 2007, Shanghai Bloom re-filed its importer's response to the Department's March 30, 2007, importer-specific questions contained in its third supplemental questionnaire. From May 15, 2007, through May 18, 2007, the Department conducted verifications of the sales and factors of production information submitted by Shanghai Bloom and its unaffiliated producer, Linxiang Jindeya Bee-Keeping Co., Ltd. ("Linxiang Jindeya").

Surrogate Country and Factors

On March 13, 2007, the Department provided parties with an opportunity to submit publicly available information ("PAI") on surrogate countries and values for consideration in these preliminary results. *See* Letter to All Interested Parties, from Christopher D. Riker, Program Manager, AD/CVD Operations, Office 9, regarding *New*
