BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55977; File No. SR-CBOE-2007-69]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Regarding Fees for the CBOE Stock Exchange

June 28, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 25, 2007, the Chicago Board Options Exchange, Incorporated ("Exchange" or "CBOE") filed with the Securities and Exchange Commission ("Commission")

the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify its fees applicable to the CBOE Stock Exchange ("CBSX"). The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/legal>), at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The CBSX fee schedule lists the fees applicable to trading on CBSX. The Exchange is proposing to cease providing market data rebates to users in connection with cross transactions. Transaction fees do not apply to cross trades, and the Exchange believes it is appropriate to exclude cross transactions from the calculation of market data rebates. The market data rebate program will remain unchanged in all other respects.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act³ in general, and furthers the objectives of Section 6(b)(4)⁴ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective upon filing pursuant to Section 19(b)(3)(A) of the Act⁵ and Rule 19b-4(f)(2) thereunder.⁶ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File No. SR-CBOE-2007-69 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-CBOE-2007-69. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55973; File No. SR-ISE-2007-39]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change as Modified by Amendment No. 1 Thereto Relating to a Fee Reduction and Fee Cap in Options on IWM

June 28, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 1, 2007, the International Securities Exchange, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items

have been substantially prepared by the Exchange. On June 26, 2007, the Exchange filed Amendment No. 1 to the proposed rule change.³ ISE has designated this proposal as one establishing or changing a due, fee, or other charge imposed by ISE under Section 19(b)(3)(A)(ii) of the Act⁴ and Rule 19b-4(f)(2) thereunder,⁵ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

ISE proposes to establish a reduction and a cap in fees for trading options on the iShares Russell 2000® Index Fund ("IWM"). The text of the proposed rule change is available at the Exchange, its Web Site at http://www.iseoptions.com/legal/proposed_rule_changes.asp, and the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change, and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Schedule of Fees to impose, on a pilot basis until June 30, 2007, both a reduction in and a cap on exchange transaction and comparison fees for IWM options. Specifically, any Member with monthly Average Daily Volume ("ADV") of 8,000 contracts in IWM options would receive a \$.10 discount from the standard transaction fees for contracts traded above that amount, up

³ Amendment No. 1 made clarifying changes to the purpose section, clarified the operation of the Exchange's waiver program with respect to the Comparison and Non-ISE Market Maker fees, and corrected a typographical error in Exhibit 5.

⁴ 15 U.S.C. 78s(b)(3)(A)(ii).

⁵ 17 CFR 240.19b-4(f)(2).

to ADV of 10,000 contracts in IWM options. For contracts in IWM options traded in excess of 10,000 ADV for a month, the Exchange will waive all transaction and comparison fees. The proposed fee discount program applies to ISE Market Maker orders, non-ISE Market Maker orders, and Firm Proprietary orders in IWM options. The Exchange's current transaction fees for these order types are as follows: For ISE Market Maker orders, the transaction fees range from \$.21 to \$.12 a contract, depending on the Exchange's trading volume, plus a comparison fee of \$.03 per contract; for non-ISE Market Maker orders and Firm Proprietary orders, the transaction fees are \$.37 and \$.15, respectively, plus a comparison fee of \$.03 per contract. The fee reduction and waiver is intended to increase the Exchange's competitiveness in trading IWM options. The Exchange notes that the proposed discount will apply to transaction fees only and not to the payment for order flow fee or any licensing surcharge fee that may be applicable to the trading of options in IWM.

This proposal is similar to the volume-based discount fee program currently in place for trading in options on the NASDAQ-100 Index Tracking Stock® (QQQQ®) and for trading in the Exchange's Facilitation Mechanism.⁶

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(4) of the Act⁷ that an exchange have an equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.
