

principle of price/time priority on the Exchange. Further, the Commission believes that designating IMMs for the purpose of sending P/A Orders to away markets is not inconsistent with the Linkage Plan, because, among other things, the proposal will facilitate the sending of P/A Orders to other exchanges through Linkage in accordance with the requirements of the Linkage Plan's definition of P/A Orders. In addition, the Commission also believes the proposal clarifies the Exchange's role in the processing of orders it receives through Linkage.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹² that the proposed rule change (SR-NYSEArca-2007-34), as modified by Amendment No. 1, be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹³

Florence E. Harmon,

Deputy Secretary.
