

toll-free number. Copies of available documents submitted to OMB may be obtained from Ms. Deitzer or from HUD's Web site at <http://www5.hud.gov:63001/po/i/icbts/collectionsearch.cfm>.

SUPPLEMENTARY INFORMATION: This notice informs the public that the Department of Housing and Urban Development has submitted to OMB a request for approval of the information collection described below. This notice is soliciting comments from members of the public and affecting agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is

necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This notice also lists the following information:

Title of Proposal: Application for Insurance of Advance of Mortgage Proceeds.

OMB Approval Number: 2502-0097.

Form Numbers: Form HUD-92403.

Description of the Need for the Information and Its Proposed Use:

A mortgagor (or mortgagor/contractor) requests an advance of mortgage proceeds for reimbursement of project construction expenditures. Upon further input and review the mortgagee transmits the information to HUD for approval on a monthly basis for reimbursement of funds.

Frequency of Submission: On Occasion.

	Number of respondents	×	Annual responses	×	Hours per response	=	Burden hours
Reporting Burden	2,100		16		0.1		3,360

Total Estimated Burden Hours: 3,360.
Status: Extension of a current collection.

Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. 35, as amended.

Dated: July 2, 2007.

Lillian L. Deitzer,

Departmental Paperwork Reduction Act Officer, Office of the Chief Information Officer.

BILLING CODE 4210-67-M

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[DSG070003 ID330-07-1430-FR 241A, IDI-34925-01]

Notice of Realty Action: Recreation and Public Purposes Act Classification; Idaho

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: The Bureau of Land Management (BLM) has determined that certain public lands located in Custer County, Idaho are suitable for classification for conveyance to the Custer County Commission, under authority of the Recreational and Public Purposes Act, June 14, 1926 as amended by the Recreation and Public Purpose Act of 1988 (43 U.S.C. 869 *et seq.*),

DATES: Comments regarding the proposed conveyance should be received by August 27, 2007.

ADDRESSES: Detailed information concerning this action, including but not limited to documentation related to compliance with applicable environmental and cultural resource laws, is available for review at the BLM Challis Field Office. Address all written comments concerning this Notice to David Rosenkrance, BLM Challis Field Office Manager, 801 Blue Mountain Road, Challis, Idaho 83226-9304. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

FOR FURTHER INFORMATION CONTACT: Tim Vanek, Realty Specialist, BLM Challis Field Office, (208) 879-6218.

SUPPLEMENTARY INFORMATION: The following described public land in Custer County, Idaho, has been examined and found suitable for conveyance to the Custer County Commission under the provisions of the Recreation and Public Purposes Act, as amended:

Boise Meridian, Idaho

T. 13 N., R 19 E.

Sec. 4, lots 9, 14, 15, 18, 19,
W $\frac{1}{2}$ NE $\frac{1}{4}$ SW $\frac{1}{4}$, E $\frac{1}{2}$ NW $\frac{1}{4}$ SW $\frac{1}{4}$,
SE $\frac{1}{4}$ SW $\frac{1}{4}$, and; sec. 5, lot 9.

The land described above contains approximately 126.87 acres in Custer County.

The land is adjacent to an existing waste transfer site which was formerly public land patented to the Village of Challis, ID in 1959 and was deeded to Custer County in 1997. The 40-acre patented parcel contains: Household refuse collection bins, a recycling area, yard debris collection, used appliance/scrap metal collection and used tire collection. A 40-acre, public land parcel immediately south and southeast of the patented parcel contains a construction debris pit and dead animal burial pit. The use of this parcel was first authorized to Custer County by the BLM for the purpose of non-municipal waste disposal under R&PP Lease on January 15, 1983. That authorization expired January 13, 2003. The BLM Challis Field Office re-authorized the use on June 3, 2005 with R&PP Lease in serial number: IDI-34925. This authorization also expired, on February 14, 2006. The remaining 76.87 acres are lots adjacent to the expired lease parcel and the patented parcel. These lots are not currently used for waste transfer, but they have been disturbed with trails, fences, and equipment storage.

The Custer County Commission proposes to use the land to continue operation of the Challis waste transfer site and expand the site when necessary. The land is not needed for Federal purposes. Conveyance of the public lands is consistent with the Challis Resource Management Plan and would be in the public interest.

The patent, when issued, will be subject to the following terms, conditions, and reservations:

1. Provisions of the Recreation and Public Purposes Act and all applicable regulations of the Secretary of the Interior. In particular, statutory provisions governing the disposal of existing leased disposal sites are to be found at 43 U.S.C 869-2(c)(2), regulatory provisions at 43 CFR 2743.3 and 2743.3-1. Statutory provisions governing the disposal of new disposal sites are to be found at 43 U.S.C. 869-2(b), regulatory provisions at 43 CFR 2743.2 and 2343.2-1.

2. A right of way for ditches and canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945).

3. All valid existing rights.

4. The United States will reserve all minerals together with the right to prospect for, mine, and remove the minerals under applicable laws and such regulations as the Secretary of the Interior may prescribe, including all necessary access and exit rights.

5. These parcels are subject to the requirements of section 120(h) of the Comprehensive Environmental Response, Compensation and Liabilities Act, 42 U.S.C. 9620(h) (CERCLA), as amended by the Superfund Amendments and Reauthorization Act of 1988, Sat. 1670.
