Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS), Department of Health and Human Services, is publishing the

following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the Agency's function; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

1. *Type of Information Collection Request:* Extension without change of a currently approved collection; *Title of Information Collection:* Transmittal and Notice of Approval of State Plan Material and Supporting Regulations in 42 CFR 430.10-430.20 and 440.167; *Use:* The CMS-179 is used by State agencies to transmit State plan material to the Centers for Medicare & Medicaid Services (CMS) for approval prior to amending their State plan. The State plan is the method in which States inform staff of State policies, standards, procedures and instructions. The CMS-179 is currently used by State agencies administering the Medicaid program and CMS regional offices (RO). State agencies use the form to submit State plan amendments (SPAs) (including supporting documentation) to the CMS RO for review and approval prior to amending their plan in accordance with 42 CFR 430.10-430.20. The CMS-179 includes instructions for completing the form. The inclusion of instructions is to assist State agencies in completing the form, thereby ensuring a more uniform and timely plan amendment approval process. The CMS-179 is the only source available to State agencies for submittal/approval of SPAs. This plan amendment approval process is necessary to ensure the State plan continues to meet statutory and regulatory requirements and thereby ensure the State's eligibility for Federal financial participation. CMS will use
