support operations of U.S. forces outside the continental United States cannot be supplied through the commercial tanker charter market in accordance with applicable laws and regulations or other voluntary arrangements. The Administrator shall notify the Attorney General and the Chairman of the Federal Trade Commission, when such a finding is made.

1. There is established a Tanker Requirements Committee (the ''Committee'') to provide USTRANSCOM, MARAD and Participants a forum to:

4. The Committee will consist of designated representatives from MARAD, USTRANSCOM, to include Military Sealift Command, Defense Energy Support Center, each Participant, and maritime labor. Other attendees may be invited at the discretion of the co-chairs. To reduce risk to owners and to control cost to the government, all government charters will be time charters, unless specifically designated as voyage charter by the Contracting Officer. If vessels are chartered between Participants, Participants will keep the Administrator informed. The Administrator will keep the Attorney General and the Chairman of the Federal Trade Commission informed of the actions taken under this Agreement.

D. Termination of Charters Under the Agreement
