SUMMARY: Base (1% annual chance) Flood Elevations (BFEs) and modified BFEs are made final for the communities listed below. The BFEs and modified BFEs are the basis for the floodplain management measures that each community is required either to adopt or to show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

DATES: The date of issuance of the Flood Insurance Rate Map (FIRM) showing BFEs and modified BFEs for each community. This date may be obtained by contacting the office where the maps are available for inspection as indicated on the table below.

ADDRESSES: The final BFEs for each community are available for inspection at the office of the Chief Executive Officer of each community. The respective addresses are listed in the table below.

FOR FURTHER INFORMATION CONTACT:

These modified elevations have been published in newspapers of local circulation and ninety (90) days have elapsed since that publication. The Mitigation Division Director of FEMA has resolved any appeals resulting from this notification.

This final rule is issued in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104,

[OST Docket No. 1999-6189; Amendment 1-305]

RIN 1999-AA51

Organization and Delegation of Powers and Duties; Delegations to the Maritime Administrator

AGENCY: Department of Transportation, Office of the Secretary.

ACTION: Final rule.

SUMMARY: The Secretary of Transportation (Secretary) is delegating to the Maritime Administrator the authorities delegated to the Secretary by the President under section 1019 of Public Law 109-364 dated October 17, 2006, and entitled The John Warner National Defense Authorization Act for Fiscal Year 2007.

EFFECTIVE DATE: July 31, 2007.

FOR FURTHER INFORMATION CONTACT:

Richard Weaver, Director, Office of Management Services, Maritime Administration, MAR-310, Room W26-310, 1200 New Jersey Ave., SE., Washington, DC 20590, Phone: (202) 366-2811.

SUPPLEMENTARY INFORMATION: The President delegated his authority under section 1019 of Public Law 109-364 to the Secretary of Transportation (Secretary) by Memorandum dated February 15, 2007 (published in the **Federal Register** on February 20, 2007 (72 FR 7819)). The Secretary is further delegating this authority to the Maritime Administrator. This delegation authorizes the Maritime Administrator: (1) To transfer the ex-Liberty ship SS Arthur M. Huddell (Vessel) to the Government of Greece in accordance with such terms and conditions as appropriate; (2) to convey additional equipment from obsolete vessels of the National Defense Reserve Fleet (NDRF) in order to assist the Government of Greece in using the vessel as a museum exhibit; and (3) to require, to the maximum extent practicable, as a condition of the transfer of the Vessel, that the Government of Greece have such repair or refurbishment of the Vessel as is needed performed at a shipyard located in the United States. The Secretary is delegating this authority to the Maritime Administrator because the vessel is in the custody of

the Maritime Administration and falls within the purview of the Maritime Administration's statutory mission to dispose of the vessels in the NDRF as appropriate.

This final rule adds paragraph (hh) to 49 CFR 1.66 to reflect the Secretary of Transportation's delegation of these authorities. Since this rulemaking relates to departmental organization, procedure and practice, notice and comment are unnecessary under 5 U.S.C. 553(b). Further, since the rulemaking expedites the Maritime Administration's ability to meet the statutory intent of the applicable laws and regulations covered by this delegation, the Secretary finds good cause under 5 U.S.C. 553(d)(3) for this final rule to be effective on the date of publication in the **Federal Register**.
