SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-453; OMB Control No. 3235-0510]

Submission for OMB Review; Comment Request; Extension: Rule 302

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Regulation ATS (17 CFR 242.300 *et seq.*) of the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) provides a regulatory structure that directly addresses issues related to alternative trading systems' role in the marketplace. Regulation ATS allows alternative trading systems to choose between two regulatory structures. Alternative trading systems have the choice between registering as broker-dealers and complying with Regulation ATS or registering as national securities exchanges. Rule 302 of Regulation ATS describes the recordkeeping requirements for alternative trading systems that are not national securities exchanges. Under Rule 302, alternative trading systems are required to make a record of subscribers to the alternative trading system, daily summaries of trading in the alternative trading system, and time-sequenced records of order information in the alternative trading system.

The information required to be collected under the Rule should increase the abilities of the Commission, state securities regulatory authorities, and the SROs to ensure that alternative trading systems are in compliance with Regulation ATS as well as other rules and regulations of the Commission and the SROs. If the information is not collected or collected less frequently, the Commission would be severely limited in its ability to comply with its statutory obligations, provide for the protection of investors and promote the maintenance of fair and orderly markets.

Respondents consist of alternative trading systems that choose to register

as broker-dealers and comply with the requirements of Regulation ATS. The Commission estimates that there are currently approximately 65 respondents.

An estimated 65 respondents will spend approximately 2,340 hours per year (65 respondents at 36 burden hours/respondent) to comply with the recordkeeping requirements of Rule 302. At an average cost per burden hour of \$86.54, the resultant total related cost of compliance for these respondents is \$202,504.00 per year (2,340 burden hours multiplied by \$86.54/hour; a slight discrepancy is due to arithmetic rounding).

Compliance with Rule 302 is mandatory. The information required by the Rule 302 is available only to the examination of the Commission staff, state securities authorities and the SROs. Subject to the provisions of the Freedom of Information Act, 5 U.S.C. 522, and the Commission's rules thereunder (17 CFR 200.80(b)(4)(iii)), the Commission does not generally publish or make available information contained in any reports, summaries, analyses, letters, or memoranda arising out of, in anticipation of, or in connection with an examination or inspection of the books and records of any person or any other investigation.

Regulation ATS requires alternative trading systems to preserve any records, for at least three years, made in the process of complying with the systems capacity, integrity and security requirements.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Comments should be directed to (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an e-mail to: David_Rostker@omb.eop.gov; and (ii) R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312 or send an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted within 30 days of this notice.

Dated: July 23, 2007.

Florence E. Harmon,

Deputy Secretary.
