Summary of the Order

In the Order, the Commission commences a hearing proceeding to determine whether Pendleton C. Waugh ("Waugh"), Jay R. Bishop ("Bishop"), Charles M. Austin ("Austin"), and the entities they own and control, Preferred Communication Systems, Inc. ("PCSI"), and Preferred Acquisitions, Inc. ("PAI"), its wholly-owned subsidiary (collectively, "Preferred"), licensee of certain wireless stations, are qualified to be and remain Commission licensees. Among other issues, the hearing proceeding will consider whether these parties: (1) Failed to disclose a real-party-in-interest and engaged in unauthorized transfers of control of

Commission licenses; (2) misrepresented material facts to the Commission; (3) lacked candor in their dealings with the Commission; (4) failed to disclose the involvement of convicted felons in ownership and control of the licenses; (5) failed to file required forms and information and respond fully to Enforcement Bureau letters of inquiry; and (6) discontinued operation of certain licenses without prior Commission approval. Based on whether violations of the Commission's rules are found, the hearing proceeding will also determine whether forfeitures are to be issued and/or whether the subject licenses must be revoked.

The Commission received information that alleged, among other things, that

PCSI had transferred control over its licenses to Waugh, a convicted felon, and that Waugh was in control of PCSI's and PAI's licenses. The Commission directed two letters of inquiry to PCSI. During the course of the investigation, the Commission discovered that PCSI, PAI, Austin, Waugh, and Bishop may have engaged in additional violations of the Commission's rules. For example, it appeared that PCSI may have also transferred ownership interests to Bishop, another convicted felon. Additionally, it appeared that PCSI and PAI may have misrepresented information concerning their ownership status and PAI's operational readiness. Further, it appeared that PCSI failed to respond fully to the Commission's second letter of inquiry and that PAI failed to update the Commission concerning material changes in its operational readiness. The Commission determined that Waugh's and Bishop's felony convictions and potential ownership interest in and control over PCSI and PAI raise a substantial and material question of fact as to the qualifications of PCSI, PAI, and their principals to be and to remain Commission licensees, and may warrant revocation of PCSI's and PAI's licenses. Thus, pursuant to sections 312(a) and 312(c) of the Communications Act of 1934, as amended, 47 U.S.C. 312(a) and (c) and section 1.91 of the Commission's rules, 47 CFR 1.91, the Order directs PCSI, PAI, Waugh, Austin, and Bishop to show cause why the PCSI's and PAI's licenses should not be revoked, based upon the following issues: (1) Whether Pendleton C. Waugh was an undisclosed real party in interest in filings before the Commission, in willful and/or repeated violation of section 1.2112 of the Commission's Rules, 47 CFR 1.2112; (2) whether Preferred Communication Systems, Inc. ("PCSI"), engaged in an unauthorized transfer of control, in willful and/or repeated violation of section 310(d) of the Communications Act of 1934, as amended (the "Act"), 47 U.S.C. 310(d); (3) whether PCSI and/or Preferred Acquisitions Inc. ("PAI") misrepresented material facts to, and/or lacked candor in its dealings, with the Commission, in willful and/or repeated violation of section 1.17 of the Commission's Rules, 47 CFR 1.17; (4) the effect of Pendleton C. Waugh's and Jay R. Bishop's felony convictions on their qualifications and those of PCSI and PAI to be and remain Commission licensees; (5) whether PCSI and/or PAI failed to maintain the continuing accuracy of filings pending before the Commission in willful and/or repeated violation of section 1.65 of the

Commission's Rules, 47 CFR 1.65; (6) whether PCSI failed to respond fully and completely to official requests for information from the Commission, in willful and/or repeated violation of section 308(b) of the Act, 47 U.S.C. 308(b); (7) whether, in fact, PCSI discontinued operation of its licenses for more than one year, pursuant to section 90.157 of the Commission's Rules, 47 CFR 90.157; (8) in light of the evidence adduced pursuant to the foregoing issues, whether the captioned individuals and/or entities are qualified to be and remain Commission licensees; and (9) in light of the evidence adduced pursuant to the foregoing issue, whether the referenced authorizations should be revoked.

The hearing will also consider whether, in light of the findings on the above issues, forfeitures shall be issued in an amount not to exceed \$5,280,000.

Copies of the Order to Show Cause and Notice of Opportunity for Hearing are being sent by certified mail, return receipt requested, to Austin, PCSI, PAI, their counsel of record, Charles J. Ryan, III, Waugh, and Bishop. To avail themselves of the opportunity to be heard, Preferred Communication Systems, Inc., Preferred Acquisitions, Inc., Pendleton C. Waugh, Charles M. Austin, and Jay R. Bishop, pursuant to section 1.91(c) and section 1.221 of the Commission's rules, 47 CFR 1.91(c) and 47 CFR 1.221, in person or by their attorneys, must within 30 days of the Commission's release of this Order, file in triplicate a written notice of appearance stating an intention to

appear on the date fixed for the hearing and present evidence on the issues specified in this Order.
