SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-56156; File No. SR-ISE-2007-66]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to an Extension for the Price Improvement Mechanism Pilot Program

July 27, 2007.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 24, 2007, the International Securities Exchange, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the ISE. The ISE has designated the proposed rule change as a "non-controversial" rule change pursuant to section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is proposing to extend two pilot programs related to its Price Improvement Mechanism ("PIM") contained in paragraphs .03 and .05 of the Supplemental Material to Rule 723. The text of the proposed rule change is available on ISE's Web site at <http://www.ise.com>, at ISE's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the ISE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The ISE has prepared summaries, set forth in sections A, B,

and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange currently has two pilot programs related to its PIM.⁵ The current pilot period provided in paragraphs .03 and .05 of the Supplementary Material to Rule 723 was due to expire on July 18, 2007 and was extended until July 25, 2007.⁶ The Exchange now proposes to extend the two pilot programs until July 18, 2008. Paragraph .03 provides that there is no minimum size requirement for orders to be eligible for the Price Improvement Mechanism. Paragraph .05 concerns the termination of the exposure period by unrelated orders. The Exchange proposes to extend these pilots until July 18, 2008 to give the Exchange and the Commission additional time to evaluate the effects of the provisions before requesting permanent approval of the rules.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁷ in general, and furthers the objectives of section 6(b)(5) of the Act,⁸ in particular, in that the proposed rule change is designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest. Since the PIM has only been operating for a relatively short period of time, the Exchange believes it is appropriate to extend the pilot periods to provide the Exchange and Commission more data upon which to evaluate the rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

⁵ See Securities Exchange Act Release Nos. 50819 (December 8, 2004), 69 FR 75093 (December 15, 2004) (approving the PIM Pilot (the "Approval Order")); and 52027 (July 13, 2005), 70 FR 41804 (July 20, 2005) (extending the PIM Pilot for an additional year).

⁶ See Securities Exchange Act Release No. 56106 (July 19, 2007), 72 FR 40914 (July 25, 2007) (Notice of Filing and Immediate Effectiveness of SR-ISE-2007-62).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms does not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, provided that the Exchange has given the Commission notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.⁹

A proposed rule change filed under Rule 19b-4(f)(6)¹⁰ normally may not become operative prior to 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii)¹¹ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The ISE requests that the Commission waive the 30-day operative delay, as specified in Rule 19b-4(f)(6)(iii),¹² which would make the rule change effective and operative upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver would allow the pilot periods to continue without interruption until July 18, 2008.¹³ Accordingly, the Commission designates the proposed rule change operative upon filing with the Commission.

⁹ The Exchange has requested that the Commission waive the five-day pre-filing notice requirement, and the Commission has agreed to waive the requirement.

¹⁰ 17 CFR 240.19b-4(f)(6).

¹¹ 17 CFR 240.19b-4(f)(6)(iii).

¹² *Id.*

¹³ For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
