

on behalf of Merck Sharpe & Dohme Quimica de Puerto Rico Inc. (MSDQ) to conduct pharmaceutical manufacturing operations under FTZ procedures within FTZ 7 at the MOVA Pharmaceutical Corporation (MOVA) pharmaceutical manufacturing facility in Caguas, Puerto Rico. The application was filed on July 27, 2007.

The MOVA facilities (650 employees, 16 acres, buildings totaling 250,000 sq. ft, 40 percent of which is devoted to manufacturing) are located on State Road 1, Km 34.8, within the Villa Blanca Industrial Park in Caguas, Puerto Rico (Site 1, Parcel 2). MSDQ will act as the operator within FTZ 7, with the manufacturing activity being contacted by MOVA on behalf of MSDQ. The company has indicated that the square footage of the buildings devoted to manufacturing operations could grow to include up to 70 percent in the near future. MSDQ has requested authority to manufacture two pharmaceutical products, MK-431A (HTSUS 3004.90) and sitagliptin (HTSUS 2933.59) for the U.S. market and export. Duty rates on the finished products range from duty-free to 6.5 percent. Foreign components that would be used in the manufacturing process (up to 25 percent of total content) include sitagliptin (HTSUS 2933.59), metformin hydrochloride (HTSUS 2925.20), enamine amide (HTSUS 2933.59) and butyl josphos (HTSUS 2931.00), with duty rates of 3.7 to 6.5 percent, *ad valorem*.

The application also requests authority to include a broad range of inputs and finished pharmaceutical products that MSDQ may produce under FTZ procedures in the future. (New major activity involving these inputs/products would require review by the FTZ Board.) The duty rates for these inputs and final products range from duty-free to 10 percent.

Zone procedures would exempt MSDQ from customs duty payments on the foreign components used in export production to non-NAFTA countries. Exports account for approximately 30 to 40 percent of production. On domestic sales and sales to NAFTA countries, MSDQ could defer duty until the products are entered for consumption or exported, and choose the lower duty that applies to the finished product for the foreign components used in production. The company would also realize certain logistical savings related to zone-to-zone transfers and direct delivery procedures as well as savings on materials that become scrap/waste during manufacturing. The application indicates that FTZ-related savings

would help improve MSDQ and MOVA's international competitiveness.

#### Certain Cased Pencils: Notice of Rescission of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** August 3, 2007.

**FOR FURTHER INFORMATION CONTACT:** Charles Riggle, Import Administration, Room 1870, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave, NW., Washington, DC 20230; telephone: (202) 482-0650.

#### SUPPLEMENTARY INFORMATION:

##### Background

On December 1, 2006, the Department of Commerce ("the Department") published a notice of opportunity to request an administrative review of the antidumping duty order on certain cased pencils ("cased pencils") from the People's Republic of China ("PRC"). See *Antidumping or Countervailing Duty*

*Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 71 FR 69543 (December 1, 2006). We received timely requests for review from China First Pencil Co., Ltd. ("China First"), Shandong Rongxin Import & Export Co., Ltd. ("Rongxin") and Three Star Stationery Industry Corp. ("Three Star").

On February 2, 2007, the Department published a notice of initiation of the antidumping duty administrative review of cased pencils from the PRC for the period December 1, 2005, through November 30, 2006. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 5005 (February 2, 2007). On April 9, 2007, China First and Three Star requested a 60-day extension of the deadline by which parties who have requested a review may withdraw the request for review. On April 12, 2007, the Department granted that request. On May 21, 2006, China First and Three Star withdrew their requests for an administrative review. On June 6, 2007, Rongxin withdrew its request for review.

##### Rescission of Review

The Department's regulations, at 19 CFR 351.213(d)(1), provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws its request at a later date if the Department determines that it is reasonable to extend the time limit for withdrawing the request. China First, Three Star and Rongxin were the only parties to request reviews of their respective companies. China First, Three Star and Rongxin made timely requests to withdraw their requests for review. Therefore, since no other party requested a review of these companies, we are rescinding this review of the antidumping duty order on cased pencils from the PRC covering the period December 1, 2005, through November 30, 2006.

##### Assessment

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For all firms, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR

351.212(c)(1)(i). The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of this notice.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: July 17, 2007.

#### **Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Extension of Time Limits for the Preliminary Results of the 3rd Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** August 3, 2007.

**FOR FURTHER INFORMATION CONTACT:** Paul Walker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482-0413.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On September 29, 2006, the Department published a notice of initiation of a review of certain frozen fish fillets from the Socialist Republic of Vietnam ("Vietnam"), covering the period August 1, 2005, through July 31, 2006.<sup>1</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 57465 (September 29, 2006).

##### **Extension of Time Limit of Preliminary Results**

The Department determines that completion of the preliminary results of these reviews within the statutory time

<sup>1</sup>In accordance with the *Circumvention Inquiry*, the period of review for Lian Heng Investment Co., Ltd. and Lian Heng Trading Co., Ltd. is October 22, 2004 through July 31, 2006. See *Circumvention and Scope Inquiries on the Antidumping Duty Order on Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Partial Affirmative Final Determination of Circumvention of the Antidumping Duty Order, Partial Final Termination of Circumvention Inquiry and Final Rescission of Scope Inquiry*, 71 FR 38608 (July 7, 2006) ("Circumvention Inquiry").

period is not practicable because the case is extraordinarily complicated. See section 751(a)(2)(B)(iv) of the Act. The Third administrative review covers four companies, and to conduct the sales and factor analyses for each requires the Department to gather and analyze a significant amount of information pertaining to each company's sales practices and manufacturing methods. In addition, two companies involve complicated affiliation and collapsing issues. The Department requires additional time to analyze these issues.

Therefore, given the number and complexity of issues in this case, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the preliminary results of review by 30 days until August 31, 2007. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is published pursuant to section 751(a)(2)(C)(3)(A) of the Act and section 351.214(h)(I)(1) of the Department's regulations.

Dated: July 26, 2007.
