#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On September 29, 2006, the Department published a notice of initiation of a review of certain frozen fish fillets from the Socialist Republic of Vietnam ("Vietnam"), covering the period August 1, 2005, through July 31, 2006.<sup>1</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 57465 (September 29, 2006).

##### **Extension of Time Limit of Preliminary Results**

The Department determines that completion of the preliminary results of these reviews within the statutory time

<sup>1</sup>In accordance with the *Circumvention Inquiry*, the period of review for Lian Heng Investment Co., Ltd. and Lian Heng Trading Co., Ltd. is October 22, 2004 through July 31, 2006. See *Circumvention and Scope Inquiries on the Antidumping Duty Order on Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Partial Affirmative Final Determination of Circumvention of the Antidumping Duty Order, Partial Final Termination of Circumvention Inquiry and Final Rescission of Scope Inquiry*, 71 FR 38608 (July 7, 2006) ("Circumvention Inquiry").

period is not practicable because the case is extraordinarily complicated. See section 751(a)(2)(B)(iv) of the Act. The Third administrative review covers four companies, and to conduct the sales and factor analyses for each requires the Department to gather and analyze a significant amount of information pertaining to each company's sales practices and manufacturing methods. In addition, two companies involve complicated affiliation and collapsing issues. The Department requires additional time to analyze these issues.

Therefore, given the number and complexity of issues in this case, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the preliminary results of review by 30 days until August 31, 2007. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is published pursuant to section 751(a)(2)(C)(3)(A) of the Act and section 351.214(h)(I)(1) of the Department's regulations.

Dated: July 26, 2007.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On May 2, 2007, the Department published in the **Federal Register** a notice of intent to rescind the antidumping duty administrative review of the antidumping duty order on OCTG from Japan. No interested parties filed case briefs in response to the Department's invitation to comment on the *Preliminary Results*.

##### **Scope of the Order**

The products covered by this order are OCTG, hollow steel products of circular cross-section, including only oil well casing and tubing, of iron (other than cast iron) or steel (both carbon and alloy), whether seamless or welded, whether or not conforming to American Petroleum Institute (API) or non-API specifications, whether finished or unfinished (including green tubes and limited service OCTG products). The HTSUS sub-headings are provided for convenience and customs purposes only. The written description of the scope of the order remains dispositive.

#### Final Results and Rescission of Administrative Review

As stated in the *Preliminary Results*, the Department determined that all four companies had no reviewable sales of subject merchandise during the POR. Although our review of data from U.S. Customs and Border Protection (CBP) showed that there were entries during the POR of merchandise produced by these companies, based on our analysis of the CBP information and documentation submitted by respondent companies, we determined that those entries were either made by unaffiliated resellers without the knowledge of the respondent companies, or were merchandise out of the scope of antidumping duty order. As such, they are not subject to the administrative review. See memorandum from Jun Jack Zhao, Case Analyst, to Barbara E. Tillman, Director, AD/CVD Operations, Office 6, *Analysis Memorandum regarding the Administrative Review of the Antidumping Duty Order on Oil Country Tubular Goods from Japan (A-588-835)*, dated concurrently with the *Preliminary Results*. Because we did not receive comments from any of the interested parties on the *Preliminary Results*, we do not have any reason to reconsider our preliminary decision. Therefore, consistent with the Department's preliminary results of this review, and in accordance with 19 CFR § 351.213(d)(3), we are rescinding the

review with respect to all four companies.

#### Duty Assessment

The Department will determine, and CBP shall assess, antidumping duties on all appropriate entries, pursuant to section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR § 351.212(b). We will direct CBP to liquidate any entries of subject merchandise manufactured by JFE, Nippon, NKK, SMI, and entered or withdrawn from warehouse for consumption during the POR, at the "all others" rate from the investigation, 44.20 percent, in accordance with the Department's clarification of its "automatic assessment" regulation; the sales of any such entries were made by intermediary companies (e.g., resellers) that do not have their own rates because they were not covered in this review, a prior review, or the less than fair value (LTFV) investigation. See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of these final results.

#### Cash Deposit Requirements

On May 31, 2007, the U.S. International Trade Commission determined that revoking the existing antidumping duty orders on imports of OCTG from Argentina, Italy, Japan, Korea and Mexico would be unlikely to lead to continuation or recurrence of material injury. As a result, the Department revoked these antidumping duty orders. See *Oil Country Tubular Goods from Argentina, Italy, Japan, Korea, and Mexico; Revocation of Antidumping Duty Orders Pursuant to Second Five-year (Sunset) Reviews*, 72 FR 34442 (June 22, 2007). The effective date of the revocation of this order was July 25, 2006. Consequently, the Department has instructed CBP to discontinue the suspension of liquidation of all entries of subject merchandise entered on or after July 25, 2006. Therefore, no further cash deposits of estimated antidumping duties will be required, and antidumping duties will not be assessed on entries after July 24, 2006.

#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR § 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to

comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR § 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation that is subject to sanction.

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 27, 2007.
