

(2) FPLE Point Beach shall take no actions to cause FPLE Group Capital, or its successors and assigns, to void, cancel, or modify its \$70 million Support Agreement (Agreement) to FPLE Point Beach, as presented in the application, or cause it to fail to perform or impair its performance under the Agreement, without prior written consent from the NRC. The Agreement may not be amended or modified without 30 days prior written notice to the Director of the Office of Nuclear Reactor Regulation or his designee. An executed copy of the Agreement shall be submitted to the NRC no later than 30 days after the completion of the license transfers. Also, FPLE Point Beach shall inform the NRC in writing anytime it draws upon the \$70 million Agreement.

(3) Prior to completion of the transfer of any authority under the licenses, FPLE Point Beach shall provide the Director of the Office of Nuclear Reactor Regulation satisfactory documentary evidence that it has obtained the appropriate amount of insurance required of a licensee under 10 CFR Part 140 of the Commission's regulations.

It is further ordered that FPLE Point Beach shall inform the Director of the Office of Nuclear Reactor Regulation in writing if it wishes to exercise the option to transfer the operating authority prior to closing of the sale no later than 5 business days prior to the desired date for transfer of operational authority. Should FPLE Point Beach not request to exercise the option to transfer operational authority prior to closing of the sale, then the associated amendments to transfer operational authority will be null and void and only the amendments reflecting transfer of both ownership and operating authority will remain approved.

It is further ordered that FPLE Point Beach shall inform the Director of the Office of Nuclear Reactor Regulation in writing of the date of the closing of the sale no later than 5 business days prior to the closing of the sale and transfer of licenses. Should the transfer of the licenses not be completed by July 31, 2008, this Order shall become null and void, provided however, that upon written application and for good cause shown, such date may be extended by order.

It is further ordered that, consistent with 10 CFR 2.1315(b), the license amendments, indicated in Enclosures 2 or 3 to the cover letter forwarding this Order, that make the applicable changes to conform the licenses to reflect the subject license transfers are approved. The applicable amendments for transfer of ownership and operational authority shall be issued and made effective at the

time such proposed license transfers are completed in full. The applicable amendments for the option of first transferring operational authority shall be issued and made effective at the time such transfer closes.

This Order is effective upon issuance.

The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 13e-3 and Schedule 13E-3 (17 CFR 240.13e-3 and 240.13e-100)—Rule 13e-3 prescribes the filing, disclosure and dissemination requirements in connection with a going private transaction by an issuer or an affiliate. Schedule 13E-3 provides shareholders and the marketplace with information concerning going private transactions

that is important in determining how to respond to such transactions. The information collected permits verification of compliance with securities laws requirements and ensures the public availability and dissemination of the collected information. We estimate that Schedule 13E-3 is filed by approximately 600 issuers annually and it takes approximately 137.25 hours per response. We estimate that 25% of the 137.25 hours per response is prepared by the filer for a total annual reporting burden of 20,588 hours.

Written comments are invited on: (a) Whether these collections of information are necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.
