Bureau of Industry and Security

[Docket No.: 06-BIS-18]

Action Affecting Export Privileges; EHI Group, USA, Inc.; In the Matter of: EHI Group USA, Inc., 10677 C Rosewood Road, Cupertino, CA 95014, Respondent: Order Relating to EHI Group, USA, Inc.

The Bureau of Industry and Security, U.S. Department of Commerce ("BIS") has initiated an administrative proceeding against EHI Group, USA, Inc. ("EHI") pursuant to section 766.3 of the Export Administration Regulations (currently codified at 15 CFR parts 730-774 (2207)) (the "Regulations"),¹ and section 13(c) of the Export Administration Act of 1979, as amended (50 U.S.C. app. section 2401-2420 (2000)) (the "Act"),² through issuance of

¹ The violations alleged to have been committed occurred in 2001 and 2002. The Regulations governing the violations at issue are found in the 2001-2002 versions of the Code of Federal Regulations (15 CFR parts 730-774 (2001-2002)). The 2007 Regulations establish the procedures that apply to this matter.

² Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)),

a charging letter to EHI that alleged that EHI committed 3 violations of the Regulations. Specifically, the charges are:

Charge 1: 15 CFR 764.2(d)—Conspiracy to Export Microwave Amplifiers to China without the required Department of Commerce License.

Beginning in or about September 2001 and continuing into or about May 2002, EHI conspired and acted in concert with others, known and unknown, to bring about or do to an act that constitutes a violation of the Regulations. Specifically, EHI conspired to export microwave amplifiers from the United States to the People's Republic of China ("China") without the required Department of Commerce license. The goal of the conspiracy was to obtain microwave amplifiers on behalf of a Chinese end-user and to export those microwave amplifiers to China. In furtherance of the conspiracy, EHI acquired the microwave amplifiers from a U.S. company and then exported them from the United States to China. The microwave amplifiers were items subject to the Regulations and were classified under export control classification number ("ECCN") 3A001. Contrary to section 742.4 of the Regulations, no Department of Commerce license was obtained for the export of the amplifiers from the United States to China. In so doing, EHI committed one violation of section 764.4 of the Regulations.

Charge 2: 15 CFR section 764.2(a): Exporting Microwave Amplifiers Without the Required Department of Commerce License.

On or about May 22, 2002, EHI engaged in conduct prohibited by the Regulations by exporting microwave amplifiers, items subject to the Regulations and classified under ECCN 3A001, from the United States to China, without obtaining a license from the Department of Commerce as required by section 742.4 of the Regulations. In so doing, EHI committed one violation of section 764.2(a) of the Regulations.

Charge 3: 15 CFR section 764.2(e): Acting With Knowledge That a Violation of the Regulations Would Occur.

In connection with the transaction referenced above, EHI ordered or transferred microwave amplifiers that were to be exported from the United States with knowledge that a violation of the Regulations would occur. Specifically, EHI had knowledge that a license was required for the export as EHI was advised by an individual in China that the items in question were classified as ECCN 3A001 and subject to U.S. export regulations. Furthermore, EHI had knowledge of the Regulations, as Mr. Qing Chang Jiang, President of EHI, had met with officials from BIS on several occasions to discuss the Regulations and the export of microwave amplifiers to China. In addition, EHI submitted an export application to the Department of Commerce for the microwave amplifiers described above and exported

as extended by successive Presidential Notices, the most recent being that of August 3, 2006 (71 FR 44,551 (Aug. 7, 2006)), has continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. section 1701-1706 (2000)).
