SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA 2007-0064]

Privacy Act of 1974, as Amended; Computer Matching Program (SSA/ Department of Veterans Affairs (VA), Veterans Benefits Administration (VBA)—Match Number 1309

AGENCY: Social Security Administration (SSA).

ACTION: Notice of the renewal of an existing computer matching program which is scheduled to expire on October 1, 2007.

SUMMARY: In accordance with the provisions of the Privacy Act, as amended, this notice announces the renewal of an existing computer matching program that SSA is currently conducting with VA.

DATES: SSA will file a report of the subject matching program with the Committee on Homeland Security and Governmental Affairs of the Senate; the Committee on Oversight and Government Reform of the House of Representatives; and the Office of Information and Regulatory Affairs, Office of Management and Budget (OMB). The renewal of the matching program will be effective as indicated below.

ADDRESSES: Interested parties may comment on this notice by either telefaxing to (410) 965-8582 or writing to the Associate Commissioner for Income Security Programs, 252 Altmeyer Building, 6401 Security Boulevard, Baltimore, MD 21235-6401. All comments received will be available for public inspection at this address.

FOR FURTHER INFORMATION CONTACT: The Associate Commissioner for Income Security Programs as shown above.

SUPPLEMENTARY INFORMATION:

A. General

The Computer Matching and Privacy Protection Act of 1988 (Pub. L. 100-503), amended the Privacy Act (5 U.S.C. 552a) by describing the conditions under which computer matching involving the Federal government could be performed and adding certain protections for individuals applying for and receiving Federal benefits. Section 7201 of the Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101-508) further amended the Privacy Act regarding protections for such individuals.

The Privacy Act, as amended, regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State or local government

records. It requires Federal agencies involved in computer matching programs to:

- (1) Negotiate written agreements with the other agency or agencies participating in the matching programs;
- (2) Obtain the approval of the matching agreement by the Data Integrity Boards (DIB) of the participating Federal agencies;
- (3) Publish notice of the computer matching program in the **Federal Register**;
- (4) Furnish detailed reports about matching programs to Congress and OMB;
- (5) Notify applicants and beneficiaries that their records are subject to matching; and
- (6) Verify match findings before reducing, suspending, terminating or denying an individual's benefits or payments.

B. SSA Computer Matches Subject to the Privacy Act

We have taken action to ensure that all of SSA's computer matching programs comply with the requirements of the Privacy Act, as amended.

Dated: August 3, 2007.

Manuel J. Vaz,

Acting Deputy Commissioner for Disability and Income Security Programs.

Notice of Computer Matching Program, Social Security Administration (SSA) With the Department of Veterans Affairs (VA), Veterans Benefits Administration (VBA)

A. Participating Agencies

SSA and VA.

B. Purpose of the Matching Program

The purpose of this matching program is to establish the conditions, terms and safeguards under which VA agrees to disclose VA compensation and pension payment data to SSA. This disclosure will provide SSA with information necessary to verify an individual's self-certification of eligibility for prescription drug subsidy assistance under section 1860D-14 of the Social Security Act (Act)(42 U.S.C. 1395w-114). The disclosure will also enable SSA to implement a Medicare outreach program mandated by section 1144 of title XI of the Social Security Act. Information disclosed by VA will enable SSA to identify individuals to determine their eligibility for Medicare Savings Programs (MSP) and subsidized Medicare prescription drug coverage and enable SSA, in turn, to identify these individuals to the States.

C. Authority for Conducting the Matching Program

The legal authority for SSA to conduct this matching activity is contained in section 1860D-14 (42 U.S.C. 1395w-114) and section 1144 (42 U.S.C. 1320b-14) of the Act.

D. Categories of Records and Individuals Covered by the Matching Program

VA will provide SSA with electronic files containing compensation and pension payment data from its system of records entitled the Compensation, Pension, Education and Rehabilitation Records-VA (58VA21/22). Routine use 46 for VA permits the disclosure of this information. SSA will then match VA data with SSA SOR 60-0321, the MDB.

SSA has published notice of its new system of records, which establishes as a routine use the disclosure of information in the MDB to VA only for the purpose of supporting SSA in the administration of the prescription drug subsidy program under the MMA of 2003 (No. 60-0321, published at 69 **Federal Register** 77816, December 28, 2004; and 71 **Federal Register** 42159-42164, July 25, 2006).

E. Inclusive Dates of the Matching Program

The matching program will become effective upon signing of the agreement by all parties to the agreement and approval of the agreement by the Data Integrity Boards of the respective agencies, but no sooner than 40 days after notice of the matching program is sent to Congress and the Office of Management and Budget, or 30 days after publication of this notice in the **Federal Register**, whichever date is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.
