SUPPLEMENTARY INFORMATION:

Background

At the request of an interested party, the Department of Commerce (the Department) initiated the administrative review of the antidumping duty order on carbazole violet pigment 23 from India for the period December 1, 2005, through November 30, 2006. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 5005 (February 2, 2007). If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

We determine that it is not practicable to complete the preliminary results of this review within the original time limit because we need additional time to obtain and analyze information regarding constructed value. Therefore, we are extending the time period for issuing the preliminary results of this
