Estimated Number of Respondents: 61.

Estimated Time per Response: 333 hours.

Total Annual Burden: 20,290 hours.
General Description of Collection: The Federal Deposit Insurance (FDI) Act requires state nonmember banks to obtain FDIC consent to establish or operate a branch in a foreign country, or to acquire and hold, directly or indirectly, stock or other evidence of ownership in any foreign bank or other entity. The FDI Act also authorizes the FDIC to impose conditions for such consent and to issue regulations related thereto. This collection is a direct consequence of those statutory requirements.

Frequency of Response: On occasion.

General Description of Collection: This information collection permits the FDIC to fulfill its obligations under the Community Reinvestment Act to evaluate and assign ratings to the performance of institutions, in connection with helping to meet the credit needs of their communities, including low- and moderate-income neighborhoods, consistent with safe and sound banking practices. The FDIC uses the information in the examination process and in evaluating applications for mergers, branches, and certain other corporate activities.

General Description of Collection:

Section 29 of the FDI Act prohibits undercapitalized insured depository institutions from accepting, renewing, or rolling over any brokered deposits.
