

recommendations on project necessity and validity. (3) Make recommendations regarding allocation of research funds through review of research and project proposals as well as needs identified through the evaluation process above. (4) Could be consulted on issues such as protocols for specific projects.

Topics to be presented and discussed by the GSENMAC include: Elections for GSENMAC Chair and Vice Chair; Management updates to the GSENMAC; Sub-committee reports (Rangeland Health, Science, and Marketing/Partnerships/Revenue); vegetation restoration and fuels reduction on Buckskin Mountain.

Members of the public are welcome to address the council from 5 p.m. to 6 p.m., local time on September 19, 2007, in Kanab, Utah, at the GSENM Visitor Center. Depending on the number of persons wishing to speak, a time limit could be established. Interested persons may make oral statements to the GSENMAC during this time or written statements may be submitted for the GSENMAC's consideration. Written statements can be sent to: Grand Staircase-Escalante National Monument, Attn.: Larry Crutchfield, 190 E. Center Street, Kanab, UT 84741. Information to be distributed to the GSENMAC is requested 10 days prior to the start of the GSENMAC meeting.

All meetings, including the site orientation, are open to the public; however, transportation, lodging, and meals are the responsibility of the participating public.

Dated: August 26, 2007.

Larry E Crutchfield,

Acting Monument Manager, Grand Staircase-Escalante National Monument.

BILLING CODE 4310-SS-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[ID-410-1610-DR-006D]

Notice of Availability of the Record of Decision for the Coeur d'Alene Resource Management Plan (RMP)/ Environmental Impact Statement (EIS)

AGENCY: Bureau of Land Management (BLM), Department of the Interior.

ACTION: Notice of Availability of Record of Decision (ROD).

SUMMARY: In accordance with the National Environmental Policy Act (NEPA), the Federal Land Policy and Management Act (FLPMA), and BLM Policy, the BLM announces the availability of the RMP/ROD for the

Coeur d'Alene Field Office located in Idaho. The Idaho State Director signed the ROD on June 29, 2007, and it is effective as of that date.

ADDRESSES: Copies of the Coeur d'Alene ROD/RMP are available upon request from the Coeur d'Alene Field Office, Bureau of Land Management, ATTN: RMP, 3815 Schreiber Way, Coeur d'Alene, ID 83815, or via the internet at <http://www.blm.gov/rmp/id/cda/>.

FOR FURTHER INFORMATION CONTACT: Scott Pavey, Spokane District Office, 1103 North Fancher, Spokane Valley, Washington 99212, (208) 769-5059, or e-mail scott_pavey@blm.gov.

SUPPLEMENTARY INFORMATION: The Coeur d'Alene RMP was developed with broad public participation through a three year collaborative planning process. This RMP addresses management on approximately 97,900 acres of public land in the planning area. The Coeur d'Alene RMP is designed to achieve or maintain desired future conditions developed through the planning process. It includes a series of management actions to meet the desired resource conditions for forest, upland, and riparian vegetation; wildlife habitats; cultural and visual resources; and recreation. The approved Coeur d'Alene RMP is essentially the same as Alternative D in the Proposed RMP/Final Environmental Impact Statement (PRMP/FEIS), published in October 2006.

The BLM received two protests to the PRMP/FEIS which the Director of BLM resolved without requiring significant changes to proposed decisions in the PRMP/FEIS. No inconsistencies with State or local plans, policies, or programs were identified during the Governor's consistency review of the PRMP/FEIS. Thus, as a result of the lack of substantive comments in the protest and consistency review stages, only minor editorial modifications were made in preparing the ROD/RMP. These modifications corrected errors that were noted during review of the PRMP/FEIS and provide further clarification for some of the decisions.

The RMP includes decisions identifying designated routes of travel for motorized vehicles, which are implementation level decisions and are therefore appealable under 43 CFR Part 4. These decisions (route identifications) are displayed on travel management maps in the ROD/RMP. Any party adversely affected by these route identifications may appeal within 30 days of publication of this Notice of Availability, pursuant to 43 CFR part 4, subpart E. The appeal should identify the specific route(s) by township, range,

and section on which the decision is being appealed. Please consult the appropriate regulations (43 CFR part 4, subpart E) for further appeal requirements. The appeal must be filed with the Field Manager of the Coeur d'Alene Field Office at the above listed address.

Before including your address, phone number, e-mail address, or other personal identifying information in your appeal, you should be aware that your entire appeal—including your personal identifying information—may be made publicly available at any time. While you can ask us in your appeal to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Thomas H. Dyer,

Bureau of Land Management, Idaho State Director.

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-417 and 731-TA-953, 954, 957-959, 961, and 962 (Review)]

Carbon and Certain Alloy Steel Wire Rod From Brazil, Canada, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine

AGENCY: United States International Trade Commission.

ACTION: Institution of five-year reviews concerning the countervailing duty order on carbon and certain alloy steel wire rod ("wire rod") from Brazil and antidumping duty orders on wire rod from Brazil, Canada, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine.

SUMMARY: The Commission hereby gives notice that it has instituted reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)) (the Act) to determine whether revocation of the countervailing duty order on wire rod from Brazil and the antidumping duty orders on wire rod from Brazil, Canada, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine would be likely to lead to continuation or recurrence of material injury. Pursuant to section 751(c)(2) of the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission;¹ to
