AGENCY: National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (Commerce).

ACTION: Notice of appeal.

SUMMARY: This announcement provides notice that AES Sparrows Point LNG, LLC and Mid-Atlantic Express, L.L.C. (collectively, "AES") have filed an administrative appeal with the Department of Commerce asking that the Secretary override the State of Maryland's objection to AES's proposed LNG terminal in Baltimore County, Maryland.

ADDRESSES: Materials from the appeal record will be available at the NOAA Office of the General Counsel for Ocean Services, 1305 East-West Highway, Room 6111, Silver Spring, MD 20910 and on the following Web site: <http://www.ogc.doc.gov/czma.htm>.

FOR FURTHER INFORMATION CONTACT: Odin Smith, Attorney-Advisor, NOAA Office of the General Counsel, 301-713-7392.

SUPPLEMENTARY INFORMATION:

I. Notice of Appeal

AES has filed a notice of appeal with the Secretary of Commerce pursuant to the Coastal Zone Management Act of 1972 (CZMA), 16 U.S.C. 1451 *et seq.*, and implementing regulations found at 15 CFR part 930, subpart H. AES appeals an objection, filed by the State of Maryland, to a consistency determination prepared by AES related to its proposed LNG terminal project in Baltimore County, Maryland.

Under the CZMA, the Secretary may override the State's objection on grounds that the project is consistent with the objectives or purposes of the CZMA, or necessary in the interest of national security. To make the determination that the proposed activity is "consistent with the objectives or purposes" of the CZMA, the Secretary must find that: (1) The proposed activity furthers the national interest as articulated in sections 302 or 303 of the CZMA, in a significant or substantial manner; (2) the adverse effects of the proposed activity do not outweigh its contribution to the national interest, when those effects are considered separately or cumulatively; and (3) no reasonable alternative is available that would permit the activity to be conducted in a manner consistent with enforceable policies of the State's coastal management program. 15 CFR 930.121. To make the determination that the proposed activity is "necessary in the interest of national security," the Secretary must find that a national defense or other national security interest would be significantly impaired were the proposed activity not permitted to go forward as proposed. 15 CFR 930.122.

II. Appeal Documents

NOAA intends to provide the public with access to all publicly available materials and related documents comprising the appeal record during business hours, at the NOAA Office of the General Counsel for Ocean Services.
