

(Authority: 40 CFR 1501.7 and 1508.22; Forest Service Handbook 1909.15, Section 21)

Dated: September 5, 2007.

Dennis Jaeger,

Deputy Forest Supervisor, Black Hills National Forest.

[FR Doc. 07-4427 Filed 9-10-07; 8:45 am]

BILLING CODE 3410-11-M

DEPARTMENT OF AGRICULTURE

Forest Service

Sierra National Forest, California, Sierra National Forest Motorized Travel Management EIS

AGENCY: Forest Service, USDA.

ACTION: Notice of intent to prepare an Environmental Impact Statement.

SUMMARY: The Sierra National Forest (Sierra NF) will prepare an Environmental Impact Statement to disclose the impacts associated with the following proposed actions: 1. The prohibition of wheeled motorized vehicle travel off designated NFS roads, NFS trails and areas by the public except as allowed by permit or other authorization. 2. The addition of approximately 54 miles of existing unauthorized tracks to the current system of National Forest System (NFS) motorized trails, the permanent conversion of 72 miles of NFS Roads to NFS Trails, the management of 61 miles of NFS Roads as NFS Trails and the addition of six acres for motorized use. 3. The changing of the allowable use or season of use on approximately 970 miles of existing NFS Roads and closing approximately 200 miles of existing NFS Roads to public access unless allowed by permit or other authorization.

DATES: The comment period on the proposed action will extend 45 days from the date the Notice of Intent is published in the **Federal Register**.

Completion of the Draft Environmental Impact Statement (DEIS) is expected in November 2007 and the Final Environmental Impact Statement (FEIS) is expected in January 2008.

ADDRESSES: Send written comments to: Travel Management Team, Sierra NF, 1600 Tollhouse Rd., Clovis, CA 93611.

FOR FURTHER INFORMATION CONTACT: Tom Lowe, Sierra NF, 1600 Tollhouse Rd., Clovis, CA 93611; Phone: (559) 297-0706 extension 4840. E-mail: sierra.route.designation@fs.fed.us.

SUPPLEMENTARY INFORMATION:

Background

Over the past few decades, the availability and capability of motorized vehicles, particularly off-highway vehicles (OHVs) and sport utility vehicles (SUVs) has increased tremendously. Nationally, the number of OHV users has climbed sevenfold in the past 30 years, from approximately 5 million in 1972 to 36 million in 2000. California is experiencing the highest level of OHV use of any state in the nation. There were 786,914 ATVs and OHV motorcycles registered in 2004, up 330% since 1980. Annual sales of ATVs and OHV motorcycles in California were the highest in the U.S. for the last 5 years. Four-wheel drive vehicle sales in California also increased by 1500% to 3,046,866 from 1989 to 2002. (Off-Highway Vehicle Recreation in the United States, Regions and States: A National Report from a National Survey on Recreation and the Environment, USDA Forest Service, 2005).

Unmanaged OHV use has resulted in unplanned roads and trails, erosion, watershed and habitat degradation, and impacts to cultural resource sites. Compaction and erosion are the primary effects of OHV use on soils. Riparian areas and aquatic dependent species are particularly vulnerable to OHV use. Unmanaged recreation, including impacts from OHVs, is one of "Four Key Threats Facing the Nation's Forests and Grasslands." (USDA Forest Service, June 2004).

On August 11, 2003, the Pacific Southwest Region of the Forest Service entered into a Memorandum of Intent (MOI) with the California Off-Highway Motor Vehicle Recreation Commission, and the Off-Highway Motor Vehicle Recreation Division of the California Department of Parks and Recreation. That MOI set in motion a region-wide effort to "Designate OHV roads, trails, and any specifically defined open areas for motorized wheeled vehicles on maps of the 19 National Forests in California by 2007."

On November 9, 2005, the Forest Service published final travel management regulations in the **Federal Register** (FR Vol. 70, No. 216-Nov. 9, 2005, pp. 68264-68291). This final Travel Management Rule requires designation of those roads, trails, and areas that are open to motor vehicle use on National Forests. Designations will be made by class of vehicle and, if appropriate, by time of year. The final rule prohibits the use of motor vehicles off the designated system as well as use of motor vehicles on routes and in areas that are not designated.

On some NFS lands, long managed as open to cross-country motor vehicle travel, repeated use has resulted in unplanned, unauthorized tracks. These tracks generally developed without environmental analysis or public involvement, and do not have the same status as NFS roads and NFS trails included in the forest transportation system. Nevertheless, some unauthorized tracks are well-sited, provide excellent opportunities for outdoor recreation by motorized and non-motorized users, and would enhance the National Forest system of designated roads, trails and areas. Other unauthorized tracks are poorly located and cause unacceptable impacts. Only NFS roads and NFS trails can be designated for wheeled motorized vehicle use. In order for an unauthorized track to be designated, it must first be added to the forest transportation system.

In accordance with the MOI, the Sierra NF completed an inventory of unauthorized tracks on NFS lands in August of 2006, identifying approximately 520 miles of known unauthorized tracks. The Sierra NF then used an interdisciplinary process to conduct a Travel Analysis including working with the public to determine whether any of the unauthorized tracks should be proposed for addition to the Sierra NF transportation system. Roads, trails and areas that are currently part of the Sierra NF transportation system and are open to wheeled motorized vehicle travel will remain designated for such use except as described below under Proposed Action. This proposal focuses on the prohibition of wheeled motorized vehicle travel off designated routes and needed changes to the Sierra NF transportation system, including the addition of some unauthorized routes to the Sierra NF transportation system and minor changes to the existing transportation systems. The proposed action is being carried forward in accordance with the Travel Management Rule (36 CFR part 212).

In accordance with the rule, following a decision on this proposal, the Sierra NF will publish a Motor Vehicle Use Map (MVUM) identifying all Sierra NF roads, trails and areas that are designated for motor vehicle use. The MVUM shall specify the classes of vehicles and, if appropriate, the times of year for which use is designated.

Purpose and Need for Action

The following needs have been identified for this proposal:

1. There is a need for regulation of unmanaged wheeled motorized vehicle travel by the public. Currently, wheeled

motorized vehicle travel by the public is allowed off designated routes below 6,800 feet elevation. In their enjoyment of the Sierra NF, motorized vehicle users have created numerous unauthorized routes. The number of such routes continues to grow each year with many routes having environmental impacts and safety concerns that have not been addressed. The Travel Management Rule, 36 CFR part 212), provides policy for ending this trend of unauthorized route proliferation and managing the Forest transportation system in a sustainable manner through designation of motorized NFS roads, trails and areas, and the prohibition of cross-country travel.

2. There is a need for limited changes and additions to the Sierra NF transportation system to:

- 2.1. Provide wheeled motorized access to dispersed recreation opportunities (camping, hunting, fishing, hiking, horseback riding, etc.)
- 2.2. Provide a diversity of wheeled motorized recreation opportunities (4x4 Vehicles, motorcycles, ATVs, passenger vehicles, etc.)

It is Forest Service policy to provide a diversity of road and trail

opportunities for experiencing a variety of environments and modes of travel consistent with the National Forest recreation role and land capability (FSM 2353.03(2)).

In meeting these needs the proposed action must also achieve the following purposes:

- A. Avoid impacts to cultural resources.
- B. Provide for public safety.
- C. Provide for a diversity of recreational opportunities.
- D. Assure adequate access to public and private lands.
- E. Provide for adequate maintenance and administration of the transportation system based on availability of resources and funding to do so.
- F. Minimize damage to soil, vegetation and other forest resources.
- G. Avoid harassment of wildlife and significant disruption of wildlife habitat.
- H. Minimize conflicts between wheeled motor vehicles and existing or proposed recreational uses of NFS lands.
- I. Minimize conflicts among different classes of wheeled motor vehicle uses of NFS lands or neighboring federal lands.

J. Assure compatibility of wheeled motor vehicle use with existing conditions in populated areas, taking into account sound, emissions, etc.

K. Have valid existing rights of use and access (rights-of-way).

Proposed Action

1. Prohibition of wheeled motorized vehicle travel off the designated NFS roads, NFS trails and areas by the public except as allowed by permit or other authorization.

2. Additions to the National Forest Transportation System—The Sierra NF currently manages and maintains approximately 2,530 miles of NFS roads and no NFS motorized trails. Based on the stated purpose and need for action and as a result of the recent Travel Analysis process; the Sierra NF proposes to add no NFS roads; add approximately 54 miles of new motorized trail; permanently convert 72 miles of NFS Roads to NFS Trails; manage 71 miles of NFS Roads as NFS Trails; and add approximately six acres of new motorized use areas.

PROPOSED ADDITIONS TO MOTORIZED TRAILS SYSTEM

Trail name	Proposed use	Length	Season of use	District
Battalion	Open to All Vehicles	0.50	May 20 to Dec 01	Bass Lake.
Chiquito South	Open to All Vehicles	0.35	May 20 to Dec 01	Bass Lake.
Lost Lake	Open to All Vehicles	0.58	Year Round	Bass Lake.
Deadman Miami	Open to Motorcycles Only	0.83	Apr 20 to Dec 01	Bass Lake.
Footman	Open to Motorcycles Only	1.62	May 20 to Dec 01	Bass Lake.
Beasore	Open to Vehicles Less Than 50"	0.79	May 20 to Dec 01	Bass Lake.
BLT Miami	Open to Vehicles Less Than 50"	0.12	Apr 20 to Dec 01	Bass Lake.
Browns	Open to Vehicles Less Than 50"	0.77	Apr 20 to Dec 01	Bass Lake.
Cedar Loop	Open to Vehicles Less Than 50"	1.41	Year Round	Bass Lake.
Central	Open to Vehicles Less Than 50"	0.32	Apr 20 to Dec 01	Bass Lake.
Chiquito North	Open to Vehicles Less Than 50"	0.72	May 20 to Dec 01	Bass Lake.
Cody E Miami	Open to Vehicles Less Than 50"	0.79	Apr 20 to Dec 01	Bass Lake.
Cody W Miami	Open to Vehicles Less Than 50"	1.62	Apr 20 to Dec 01	Bass Lake.
Express	Open to Vehicles Less Than 50"	1.01	Apr 20 to Dec 01	Bass Lake.
E-Zee Miami	Open to Vehicles Less Than 50"	0.65	May 20 to Dec 01	Bass Lake.
Greys	Open to Vehicles Less Than 50"	0.56	Year Round	Bass Lake.
Hail	Open to Vehicles Less Than 50"	0.82	Apr 20 to Dec 01	Bass Lake.
Halfmile Miami	Open to Vehicles Less Than 50"	0.62	Apr 20 to Dec 01	Bass Lake.
Johnson	Open to Vehicles Less Than 50"	0.18	Year Round	Bass Lake.
Martin Miami	Open to Vehicles Less Than 50"	0.50	Apr 20 to Dec 01	Bass Lake.
Miami	Open to Vehicles Less Than 50"	1.72	May 20 to Dec 01	Bass Lake.
MMTB Miami	Open to Vehicles Less Than 50"	2.27	Apr 20 to Dec 01	Bass Lake.
Power Loop E	Open to Vehicles Less Than 50"	0.25	Apr 20 to Dec 01	Bass Lake.
Power Loop N	Open to Vehicles Less Than 50"	0.82	Apr 20 to Dec 01	Bass Lake.

PROPOSED MOTORIZED USE AREA ADDITIONS

Name	Area	Proposed use	Season of use
Tule Mdw Use Area	6 Acres	Open to All Vehicles	May 20 to Dec 1.

3. Changes of the allowable of use on the NFS Roads—It is proposed to restrict the type of vehicular use and/or the period of use on approximately 970 miles of existing NFS Roads. And to permanently close 200 miles of existing NFS Roads to public access unless allowed by permit or other authorization. [See Internet, <http://www.fs.us.fed/r5/sierra/projects/ohv>, for complete tables.]

Maps and tables describing in detail both the Sierra NF transportation system and the proposed action can be found at <http://www.fs.fed.us/r5/sierra/projects/ohv>. In addition, maps will be available for viewing at:

Supervisor’s Office, 1600 Tollhouse Rd., Clovis, CA.

Bass Lake Ranger District, 57003 Road 225, North Fork, CA.

High Sierra Ranger District, 29688 Auberry Road, Prather, CA.

Responsible Official

Edward C. Cole, Forest Supervisor, 1600 Tollhouse Rd., Clovis, CA 93611.

Nature of Decision To Be Made

The responsible official will decide whether to adopt and implement the proposed action, an alternative to the proposed action, or take no action to make changes to the existing Sierra NF Transportation System and prohibit cross country wheeled motorized vehicle travel by the public off the designated system. Once the decision is made, the Sierra NF will publish a Motor Vehicle Use Map (MVUM) identifying the roads, trails and areas that are designated for motor vehicle use. The MVUM shall specify the classes of vehicles and, if appropriate, the times of year for which use is designated.

Scoping Process

Public participation will be especially important at several points during the analysis. The Forest Service will be seeking information, comments, and assistance from the federal, state, and local agencies and other individuals or organizations who may be interested in or affected by the proposed action. Public Meetings will be held from 6:30 p.m. to 9 p.m. at the following locations:

Mariposa: Sept 24, at the Best Western Yosemite Way, 4999 State Highway 49.

Clovis: Sept 26, at the Sierra NF Headquarters, 1600 Tollhouse Road.

Prather: Sept 27, at the High Sierra District Office, 29688 Auberry Road.

Oakhurst: Oct 2, at the Oakhurst Community Center, Road 425B.

The Notice of Intent is expected to be published in the **Federal Register** on September 14, 2007. The comment period on the proposed action will extend 30 days from the date the Notice of Intent is published in the **Federal Register**.

The draft environmental impact statement is expected to be filed with the Environmental Protection Agency (EPA) and to be available for public review by November 2007. EPA will publish a notice of availability of the draft EIS in the **Federal Register**. The comment period on the draft EIS will extend 45 days from the date the EPA notice appears in the **Federal Register**. At that time, copies of the draft EIS will be distributed to interested and affected agencies, organizations, and members of the public for their review and comment. It is very important that those interested in the management of the Sierra NF participate at that time.

The final EIS is scheduled to be completed in January 2008. In the final EIS, the Forest Service is required to

respond to substantive comments received during the comment period that pertain to the environmental consequences discussed in the draft EIS and applicable laws, regulations, and policies considered in making the decision. Substantive comments are defined as “comments within the scope of the proposed action, specific to the proposed action, and have a direct relationship to the proposed action, and include supporting reasons for the responsible official to consider” (36 CFR 215.2). Submission of substantive comments is a prerequisite for eligibility to appeal under the 36 CFR part 215 regulations.

Comments Requested

This notice of intent initiates the scoping process which guides the development of the environmental impact statement.

Early Notice of Importance of Public Participation in Subsequent Environmental Review

A draft environmental impact statement will be prepared for comment. The comment period on the draft environmental impact statement will be 45 days from the date the Environmental Protection Agency publishes the notice of availability in the **Federal Register**.

The Forest Service believes, at this early stage, it is important to give reviewers notice of several court rulings related to public participation in the environmental review process. First, reviewers of draft environmental impact statements must structure their participation in the environmental review of the proposal so that it is meaningful and alerts an agency to the reviewer’s position and contentions. *Vermont Yankee Nuclear Power Corp. v.*

NRDC, 435 U.S. 519, 553 (1978). Also, environmental objections that could be raised at the draft environmental impact statement stage but that are not raised until after completion of the final environmental impact statement may be waived or dismissed by the courts. *City of Angoon v. Hodel*, 803 F.2d 1016, 1022 (9th Cir. 1986) and *Wisconsin Heritages, Inc. v. Harris*, 490 F. Supp. 1334, 1338 (E.D. Wis. 1980). Because of these court rulings, it is very important that those interested in this proposed action participate by the close of the 45 day comment period so that substantive comments and objections are made available to the Forest Service at a time when it can meaningfully consider them and respond to them in the final environmental impact statement.

To assist the Forest Service in identifying and considering issues and concerns on the proposed action, comments on the draft environmental impact statement should be as specific as possible. It is also helpful if comments refer to specific pages or chapters of the draft environmental impact statement. Comments may also address the adequacy of the draft environmental impact statement or the merits of the alternatives formulated and discussed in the statement. Reviewers may wish to refer to the Council on Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points. Comments received, including the names and addresses of those who comment, will be considered part of the public record on this proposal and will be available for public inspection.

(Authority: 40 CFR 1501.7 and 1508.22; Forest Service Handbook 1909.15, section 21)

Dated: September 5, 2007.

Edward C. Cole,

Forest Supervisor.

Bureau of the Census

[Docket Number: 070404074-7460-02]

American Indian and Alaska Native Policy Statement

AGENCY: Bureau of the Census, Department of Commerce.

ACTION: Notice of re-opening of a public comment period.

SUMMARY: The Bureau of the Census (Census Bureau) is issuing this notice to

extend the comment period on the draft American Indian and Alaska Native (AIAN) policy statement. The Census Bureau published the original notice and request for comments in the **Federal Register** on Wednesday, May 23, 2007 (72 FR 28952). Please see the earlier notice for more information about the draft AIAN policy. The Census Bureau is currently conducting consultation meetings with federally-recognized tribal governments in preparation for the 2010 Census and would like to extend the comment period to allow those tribal leaders and the general public the opportunity to review and provide their input on the draft policy. The Census Bureau will accept all public comments received from May 23 to the closing date identified in this notice.

DATES: Written comments must be submitted on or before October 27, 2007.

ADDRESSES: Direct all written comments to Dee Alexander, Program Analyst, Decennial Management Division, Outreach and Promotions Branch, U.S. Census Bureau, Room 3H166, 4600 Silver Hill Road, Stop 7100, Washington, DC 20233-7100. Written comments may also be submitted via fax at (301) 763-8327, or e-mail to dee.a.alexander@census.gov.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the proposed policy should be directed to Dee Alexander, Program Analyst, Decennial Management Division, Outreach and Promotions Branch, U.S. Census Bureau, Room 3H166, 4600 Silver Hill Road, Stop 7100, Washington, DC 20233-7100, telephone (301) 763-9335.

Dated: September 5, 2007.

Charles Louis Kincannon,

Director, Bureau of the Census.

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

(Docket 45-2007)

Foreign-Trade Zone 49 -- Newark, New Jersey, Area, Application for Subzone Status In Mocean Group, LLC (Swimwear/Beach Accessories), North Brunswick, New Jersey

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Port Authority of New York and New Jersey, grantee of FTZ 49, requesting special-purpose subzone

status for the distribution facility of In Mocean Group, LLC (IMG), located in North Brunswick, New Jersey. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Foreign-Trade Zones Board (15 CFR part 400). It was formally filed on August 31, 2007.

The IMG facility (146,150 sq. ft., with possible expansion of an additional 100,000 sq. ft., on 22 acres; 100 employees) is located at 2400 Route U.S. 1 in North Brunswick. The facility is used for the receipt, storage, manipulation (repacking/sorting) and distribution of swimwear and beach accessories. The products are distributed throughout the U.S. and abroad.

FTZ procedures could exempt IMG from Customs duty payments on foreign products that are re-exported. Some 5 percent of the facility's shipments are exported. On domestic sales, the company would be able to defer payments until merchandise is shipped from the facility and entered for U.S. consumption. IMG also plans to realize logistical benefits through the use of weekly entry procedures. The application indicates that zone savings would help improve the international competitiveness of the distribution facility.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is November 13, 2007. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period November 26, 2007.

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations: U.S. Department of Commerce, Export Assistance Center, 20 West State Street, Trenton, NJ 08625; and, Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230.

For further information, contact Camille Evans at Camille_Evans@rita.doc.gov or (202) 482-2350.
