

banking agencies did not make a conforming instructional revision to Schedule RC-E, Memorandum items 1.c.(1) and 1.c.(2), on fully insured brokered deposits. This means that these participated brokered time deposits continue to be reported as brokered deposits of greater than \$100,000 rather than brokered deposits of less than \$100,000. Consistent reporting of these brokered time deposits across these Schedule RC-E Memorandum items is needed for purposes of measuring a bank's non-core liabilities. Therefore, the banking agencies are proposing to revise Schedule RC-E, Memorandum items 1.c.(1) and 1.c.(2), so that brokered time deposits issued in denominations of \$100,000 or more that are participated out by the broker in shares of less than \$100,000 are reported in Memorandum item 1.c.(1) as fully insured brokered deposits of less than \$100,000.

### III. Discontinuance of Mailing of Call Report Forms and Instructions

The banking agencies are planning to discontinue the mailing of report forms and instructions for the FFIEC 031 and FFIEC 041. In March 2006, the banking agencies advised banks that beginning in June 2006 they would no longer mail sample Call Report forms to banks each quarter. At that time, the agencies stated that they planned to mail sample forms to banks only in those quarters when significant revisions are made to the report forms. The banking agencies have continued to mail updates to the Call Report instruction book in those quarters when such updates have been issued. Based on their current practice, the banking agencies' next mailing would take place in March 2008.

The Call Report forms and their instructions are available on the FFIEC's Web site ([http://www.ffiec.gov/ffiec\\_report\\_forms.htm](http://www.ffiec.gov/ffiec_report_forms.htm)) and the FDIC's Web site (<http://www.fdic.gov/regulations/resources/call/index.html>) each quarter before any mailings of the paper forms and instructions are completed. A paper copy of the report forms and instructions can be printed from the Web sites. In addition, banks that use Call Report software generally can print paper copies of blank forms from their software. The banking agencies request comment on this issue.
