

Act”), and section 351.214(i)(1) of the Department’s regulations, the Department shall issue preliminary results in a new shipper review of an antidumping duty order within 180 days after the date on which the new shipper review was initiated. The Act and regulations further provide, however, that the Department may extend that 180-day period to 300 days if it determines that this review is extraordinarily complicated. See 19 CFR 351.214(i)(2) and 751 (a)(2)(B)(iv) of the Act.

The Department finds that this review is extraordinarily complicated and that it is not practicable to complete this new shipper review within the foregoing time period. Specifically, the Department must issue supplemental questionnaires to obtain additional information about (1) Ayecue’s complex methodology for allocating consumption rates of factors of production, and (2) the *bona fides* of its U.S. sale. In addition, the Department needs additional time to conduct verification of the submitted information. Accordingly, the Department finds that additional time is needed in order to complete these preliminary results.

Section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2) allow the Department to extend the deadline for the preliminary results to a maximum of 300 days from the date of initiation of the new shipper review. For the reasons noted above, we are extending the deadline for the completion of the preliminary results of this new shipper review to 300 days, *i.e.*, from September 24, 2007, until no later than January 22, 2008.¹ The deadline for the final results of this new shipper review continues to be 90 days after the publication of the preliminary results.

This notice is issued and published in accordance with sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act, and section 19 CFR 351.214(i)(2).

Dated: September 7, 2007.

Gary Taverman,

Acting Deputy Assistant Secretary for Import Administration.

Stainless Steel Bar from India: Notice of Extension of Time Limit for the Final Results of the 2006 New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: September 12, 2007.

FOR FURTHER INFORMATION CONTACT: Devta Ohri or Brandon Farlander, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, telephone (202) 482-3853 and (202) 482-0182, respectively.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1) of the Department of Commerce’s (Department) regulations require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated, and the final results of review within 90 days after the date on which the preliminary results were issued. However, if the Department determines that the issues are extraordinarily complicated, 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2) allow the Department to extend the deadline for the final results to up to 150 days after the date on which the preliminary results were issued.

Background

On September 26, 2006, the Department published a notice of initiation of a new shipper review of the antidumping duty order on stainless steel bar from India for Ambica Steels Limited (Ambica), covering the period February 1, 2006, through July 31, 2006. See *Stainless Steel Bar from India: Notice of Initiation of Antidumping Duty New Shipper Review*, 71 FR 56105 (September 26, 2006). On July 17, 2007, the Department issued the preliminary results of review. The preliminary results were published on July 23, 2007. See *Stainless Steel Bar from India: Preliminary Results of Antidumping Duty New Shipper Review*, 72 FR 40113 (July 23, 2007). The final results for this review are currently due no later than October 15, 2007.

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(2)(B)(iv) of the Act, the Department may extend the deadline for completion of the final results of a new shipper review if it determines that the case is extraordinarily complicated. The Department issued a supplemental questionnaire (dealing with sales and cost issues) to Ambica following the preliminary results, and the Department needs additional time to analyze Ambica’s response. In addition, the Department is planning to conduct a sales and cost verification of Ambica in September. As a result, the Department has determined that this review is extraordinarily complicated, and the final results of this new shipper review cannot be completed within the statutory time limit of 90 days. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for the completion of the final results by 60 days, until no later than December 14, 2007.

This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: September 5, 2007.

Gary Taverman,

Acting Deputy Assistant Secretary for Import Administration.

Stainless Steel Wire Rods from India: Preliminary Results of Antidumping Duty Administrative Review and Notice of Intent to Rescind Antidumping Duty Administrative Review in Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is conducting an administrative review of the antidumping duty order on stainless steel wire rods from India in response to a request from an interested party. The review covers one manufacturer/exporter, Mukand Limited. The period of review is December 1, 2005, through November 30, 2006. We have preliminarily determined that Mukand Limited made sales at less than normal value.

The Department of Commerce intends to rescind the administrative review

¹ January 21, 2008, is Martin Luther King Jr. Day, which is a federal holiday. Therefore, the deadline for completing the preliminary results of this new shipper review shall be the next business day, January 22, 2008.
