Type of Request: Extension of a currently approved collection.

Burden: 3,632,456 hours annually.

Number of Respondents: 2,643,259 responses per year.

Avg. Hours per Response: The USPTO estimates that it will take anywhere from 1 minute 48 sections (0.03 hours) to 22 hours, depending on the amount of information that the applicant needs to submit to the USPTO, to complete the forms and requirements associated with this information collection. This includes time to gather the necessary information, create the documents, and submit the completed request.

Needs and Uses: During the pendency of a patent application or the period of enforceability of a patent, situations arise that require collection of information for the USPTO to further process the patented file or the patent application. This information can be used by the USPTO to continue the processing of the patent or application or to ensure that applicants are complying with the patent regulations. These situations involve responses filed by applicants to various USPTO actions and may include information disclosures and citations; requests for extensions of time; the establishment of small entity status; abandonment or revival of abandoned applications; disclaimers; appeals; expedited examination of design applications; transmittal forms; requests to inspect, copy and access patent applications; publication requests; and certificates of mailing/transmission.

Affected Public: Individuals or households; business or other for-profit; and not-for-profit institutions.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: David Rostker (202) 395-3897.

Submission for OMB Review; Comment Request

The United States Patent and Trademark Office (USPTO) will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: United States Patent and Trademark Office (USPTO).

Title: Patent Term Extension.

Form Number(s): None.

Agency Approval Number: 0651-0020.

Type of Request: Revision of a currently approved collection.

Burden: 30,905 hours annually.

Number of Respondents: 26,859 responses per year.

Avg. Hours per Response: The USPTO estimates that it will take the public from one to 25 hours, depending on the complexity of the situation, to gather the necessary information, prepare the appropriate documents, and submit the applications, petitions, and requests included in this collection.

Needs and Uses: The Federal Food, Drug and Cosmetic Act at 35 U.S.C. 156 permits the USPTO to restore the patent term lost due to certain types of regulatory review by the Federal Food and Drug Administration or the Department of Agriculture. Only patents for drug products, medical devices, food additives, and color additives are eligible for an extension, which may be a maximum of five years. In some cases the USPTO may also extend the term of an original patent due to certain delays in the prosecution of the patent

application. The provisions of 35 U.S.C. 154(b) require the USPTO to notify the applicant of the patent term adjustment in the notice of allowance and give the applicant an opportunity to request reconsideration of the USPTO's patent term adjustment determination. The USPTO administers 35 U.S.C. 154 and 156 through 37 CFR subpart F (1.701-1.791).

The public uses this information collection to file requests related to patent term extensions and petitions for reconsideration or reinstatement of patent term adjustments. This information is used by the USPTO to consider whether an applicant is eligible for a patent term extension or reconsideration of a patent term adjustment and, if so, to determine the length of the patent term extension or adjustment. There are no forms associated with this collection.

Affected Public: Businesses or other for-profits; not-for-profit institutions.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: David Rostker, (202) 395-3897.
