Dear sir or madam:

Department of Transportation

Federal Aviation Administration

[Docket No. FAA–2007–29351]

FAA Order 2150.3B, Compliance and Enforcement Program

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of availability of revised agency order and withdrawal of Notice of Enforcement Policy.

SUMMARY: This notice announces the availability of FAA Order 2150.3B. Compliance and Enforcement Program. The order contains the policies, procedures, and guidelines for the Federal Aviation Administration’s compliance and enforcement program. The order articulates the FAA’s philosophy for using various remedies, including education, corrective action, informal action, remedial training, administrative action, and legal enforcement action, to address noncompliance with statutory and regulatory requirements enforced by the FAA. It provides for the public a written statement of the Administrator’s policy guidance for imposing sanction for violations of such requirements. The notice also announces the withdrawal of a Notice of Enforcement Policy regarding intentionally false or fraudulent statements concerning the disclosure of alcohol-related or drug-related convictions, or other similar convictions, on applications for airman medical certificates.

ADDRESSES: This order is available to the public on the Internet at http://rgt.faa.gov. Interested persons may obtain copies by contacting the Office of the Chief Counsel, Enforcement Division, AGC–300, 800 Independence Avenue, SW., Washington, DC 20591; telephone (202) 267–7158.

SUPPLEMENTARY INFORMATION: The new policies and procedures in Order 2150.3B become effective in October 1, 2007. The sanctions guidance in Order 2150.3B applies to violations occurring on or after October 1, 2007. For violations occurring before October 1, 2007, FAA enforcement personnel apply the sanction guidance principles in FAA Order 2150.3A using up to the statutory maximum sanction amount in effect at the time of the violation.

Order 2150.3B provides new sanction policy for intentionally false or fraudulent statements concerning the disclosure of alcohol-related or drug-related conviction is, or other similar convictions, on applications for airman medical certificates. The Notice of Enforcement Policy found at 54 FR 15144; April 14, 1989 provides the sanctions less than revocation in certain cases in involving such intentionally false or fraudulent statements. The FAA rescinds the previous sanction policy. As provided in Order 2150.3B, it is now the FAA’s general sanctions policy that the making of intentionally false or fraudulent statements in violation of FAA statutory or regulatory requirements will result in the revocation of all certificates held by a certificate holder.

[FR Doc. E7–19292 Filed 9–28–07; 8:45 am]
SUMMARY:
The Federal Transit Administration (FTA) and the Los Angeles County Metropolitan Transportation Authority (LACMTA) issue this early scoping notice to advise other agencies and the public that they intend to explore, in the context of the Council on Environmental Quality's early scoping process, alternative means of improving transit capacity and service in the Westside Extension Transit Corridor of Los Angeles, California. The early scoping process is part of a planning Alternatives Analysis (AA) required by 49 United States Code (U.S.C.) 5309, that will lead to the selection of a Locally Preferred Alternative by the LACMTA Board and Southern California Association of Governments (SCAG). Early scoping meetings will have been planned and are announced below.

The Westside Extension Transit Corridor is east-west oriented and includes portions of five jurisdictions: the cities of Los Angeles, West Hollywood, Beverly Hills, Santa Monica, as well as portions of unincorporated County of Los Angeles. The study area generally extends north to the base of the Santa Monica Mountains along Hollywood, Sunset and San Vicente Boulevards, east to the Metro Rail stations at Hollywood/Highland and Wilshire/Western, south to Pico Boulevard, and west to the Pacific Ocean. The Alternatives Analysis will study transit extensions from the terminus of the Metro Rail Purple Line at the Wilshire/Western station or the Metro Rail Red Line at the Hollywood/Highland station to downtown Santa Monica.

After planning the Alternatives Analysis and selection of a Locally Preferred Alternative (LPA), the LPA will then be the subject of the appropriate environmental review under the National Environmental Policy Act (NEPA). If the selected LPA would have significant impacts, an environmental impact statement (EIS), combined with a California environmental impact report (EIR) would be initiated with a Notice of Intent in the Federal Register and final public scoping of the EIS/EIR. In particular, the purpose and need for the project, the range of alternatives to be considered in the EIS/EIR, the environmental and community impacts to be evaluated, and the methodologies to be used, would be subject to public and interagency review and comment, in accordance with 23 U.S.C. 139.

DATES: Written comments on the scope of the planning Alternatives Analysis, including the alternatives to be considered and the impacts to be assessed, should be sent to LACMTA at the address below by November 1, 2007. See ADDRESSES below for the address to which written public comments may be sent. Early scoping meetings to accept public comments on the scope of the Alternatives Analysis will be held on the following dates:

- Thursday, October 11, 2007, from 6 p.m. to 8 p.m. Pan Pacific Recreation Center, 7600 Beverly Boulevard, Los Angeles, CA 90036.
- Thursday, October 16, 2007, from 6 p.m. to 8 p.m. Wilshire United Methodist Church, 4350 Wilshire Blvd, Los Angeles, CA 90010.
