(e) An employee who elected to retain Federal retirement coverage while employed by the international organization and has made all deposits required for such coverage may make contributions to the TSP which he or she missed as a result of the service with the international organization, and receive make-up agency contributions and lost earnings on the agency contributions, consistent with applicable TSP requirements.

§ 352.312 When to apply.

An employee may apply for reemployment, in writing, either before or after separation from the international organization. If the employee applies before separation, the 30-day period prescribed in § 352.311 begins either with the date of the application or 30 days before the employee's date of separation from the international organization, whichever is later. A promotion based on this consideration is effective on the date it would have been effective if the employee were not absent.

(b) When the position of an employee who is absent on detail or transfer to an international organization is upgraded during the employee's absence, the employing agency must place the employee in the upgraded position.

(c) The employing agency must consider an employee who is detailed or transferred to an international organization from an ungraded pay system for all pay increases for which the employee would be considered if not absent. An increase is effective on the date it would have been effective if the employee were not absent.

Procedures and Support for Non-Federal Entities Authorized To Operate on Department of Defense (DoD) Installations

AGENCY: Department of Defense.

ACTION: Proposed rule.

SUMMARY: This rule proposed to update responsibilities and procedures to define and reestablish a framework for non-Federal entities (NFEs) (previously called private organizations) authorized to operate on DoD installations.

Requires heads of DoD Components to conduct periodic reviews of facilities, programs, services, and membership provisions of NFEs operating on DoD installations and authorizes installation commanders or higher authority to determine if an NFE detracts from DoD programs and to eliminate duplication. Identifies those NFEs having statutory authorization for particular support and restates DoD policy on sponsorship of NFEs by DoD personnel acting in an official capacity, specifically as it applies to chartering Boy Scout

organizations authorized to operate on DoD installations.

DATES: Comments must be received by December 3, 2007.

ADDRESSES: You may submit comments, identified by docket number and or RIN number and title, by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

SUPPLEMENTARY INFORMATION:

Executive Order 12866, “Regulatory Planning and Review”

It has been determined that 32 CFR part 123 is not a significant regulatory action. The rule does not:

(1) Have an annual effect to the economy of \$100 million or more or adversely affect in a material way the economy; a section of the economy; productivity; competition; jobs; the environment; public health or safety; or State, local, or tribal governments or communities;

(2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another Agency;

(3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs, or the rights and obligations of recipients thereof; or

(4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in this Executive Order.

Unfunded Mandates Reform Act (Sec. 202, Pub. L. 104–4)

It has been certified that this rule does not contain a Federal mandate that may result in the expenditure by State, local and tribal governments, in aggregate, or by the private sector, of \$100 million or more in any one year.

Public Law 96–354, “Regulatory Flexibility Act” (5 U.S.C. 601)

It has been certified that this rule is not subject to the Regulatory Flexibility

Act (5 U.S.C. 601) because it would not, if promulgated, have a significant economic impact on a substantial number of small entities. The rule makes some changes in the regulation and updates some references but taken cumulatively, those changes would not have a significant impact on a substantial number of small entities.

Public Law 96-511, "Paperwork Reduction Act" (44 U.S.C. Chapter 35)

It has been certified that this rule does not impose reporting or recordkeeping requirements under the Paperwork Reduction Act of 1995. The reporting and recordkeeping requirements have been submitted to OMB for review.

Executive Order 13132, "Federalism"

It has been certified that this rule does not have federalism implications, as set forth in Executive Order 13132. This rule does not have substantial direct effects on:

- (1) The States;
- (2) The relationship between the National Government and the States; or
- (3) The distribution of power and responsibilities among the various levels of government.

Appendix A to Part 212—Non-Federal Entities Having Statutory Authorization for Particular Support

§ 212.1 Purpose.

This part updates responsibilities and procedures to define and reestablish a framework for non-Federal entities authorized to operate on DoD installations.

§ 212.2 Applicability.

(a) This part applies to:
 (1) The Office of the Secretary of Defense, the Military Departments, the Chairman of the Joint Chiefs of Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD

Field Activities, and all other organizational entities within the Department of Defense (hereafter referred to collectively as the "DoD Components").

(2) Non-Federal entities authorized to operate on DoD installations.

(b) This part shall not apply to:

(1) Military relief societies.

(2) Banks or credit unions according to DoD Directive 1000.11.¹

(3) Support provided under Innovative Readiness Training according to DoD Directive 1100.20.²

§ 212.3 Definitions.

(a) *Non-Federal Entities.* A non-Federal entity is generally a self-sustaining, non-Federal organization, incorporated or unincorporated. This Instruction addresses only those entities that operate on DoD installations with the express consent of the installation commander or higher authority. Membership of these organizations consists of individuals acting exclusively outside the scope of any official capacity as officers, employees, or agents of the Federal Government. Non-Federal entities may include elements of State, interstate, Indian tribal, and local governments as well as private organizations.

(b) *United States.* As used in this part, the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, the U.S. Virgin Islands, Guam, American Samoa, Johnston Atoll, Kingman Reef, Midway Island, Nassau Island, Palmyra Island, Wake Island, and any other territory or possession of the United States, and associated navigable waters, including the territorial seas.

(c) *DoD Installation.* A location, facility, or activity owned, leased, assigned to, controlled, or occupied by a DoD Component.

§ 212.4 Policy.

It is DoD policy that procedures be established for the operation of non-Federal entities on DoD installations to prevent official sanction, endorsement, or support by the DoD Components except as authorized in DoD 5500.7-R³ and applicable law. Non-Federal entities are not entitled to sovereign immunity and privileges accorded to Federal entities and instrumentalities. The DoD Components shall take action to preclude unauthorized expenditures of appropriated funds, commissary

surcharge, or nonappropriated funds (NAF) in support of these organizations.

§ 212.5 Responsibilities.

(a) The Principal Deputy Under Secretary of Defense for Personnel and Readiness, under the authority and guidance of the Under Secretary of Defense for Personnel and Readiness, shall be responsible for implementing policy and oversight of non-Federal entities on DoD installations.

(b) The Heads of the DoD Components shall:

- (1) Implement this part.
- (2) Be aware of all non-Federal entities operating under their jurisdiction.

(3) Conduct reviews to ensure installation commanders periodically review facilities, programs, and services provided by non-Federal entities operating on DoD installations. Also, installation commanders will review membership provisions and the original purpose for which each organization was originally approved. Substantial changes to those original conditions shall necessitate further review, documentation, and approval for continued permission to operate on the installation.

§ 212.6 Procedures.

(a) To prevent the appearance of official sanction or support by the Department of Defense:

(1) Non-Federal entities may not use the seals, logos, or insignia of the Department of Defense or any DoD Component, DoD organizational unit, or DoD installation on organization letterhead, correspondence, titles, or in association with organization programs, locations, or activities.

(2) Non-Federal entities operating on DoD installations may use the name or abbreviation of the Department of Defense, a DoD Component, organizational unit, or installation in its name provided that its status as a non-Federal entity is apparent and unambiguous and there is no appearance of official sanction or support by the Department of Defense. The following applies:

(i) The non-Federal entity must have approval from the head of the appropriate DoD organization before using the name or abbreviation.

(ii) Any use of the name or abbreviation of a DoD Component, organizational unit, or installation must not mislead members of the public to assume a non-Federal entity is an organizational unit of the Department of Defense.

(iii) A non-Federal entity must prominently display the following

disclaimer on all print and electronic media mentioning the entity's name confirming that the entity is not a part of the Department of Defense: "THIS IS A NON-FEDERAL ENTITY. IT IS NOT A PART OF THE DEPARTMENT OF DEFENSE OR ANY OF ITS COMPONENTS AND IT HAS NO GOVERNMENTAL STATUS." This disclaimer must also be provided in appropriate oral communications and public announcements when the name of the entity is used.

(b) Activities of non-Federal entities covered by this Instruction shall not in any way prejudice or discredit the DoD Components or other Federal Government Agencies.

(c) Installation commanders shall approve written agreements that indicate permission to operate on the installation and any logistical support that will be provided. DoD personnel acting in an official capacity will not execute any charter that will serve as the legal basis for the non-Federal entity. The nature, function, and objectives of a non-Federal entity covered by this Instruction shall be delineated in a written constitution, by-laws, charter, articles of agreement, or other authorization documents before receiving approval from the installation commander to operate on the installation. That documentation shall also include:

(1) Description of eligible membership in the non-Federal entity.

(i) No person because of race, color, creed, sex, age, disability, or national origin shall be unlawfully denied membership, unlawfully excluded from participation, or otherwise subjected to unlawful discrimination by any non-Federal entity or other private organization covered by this part.

(ii) Installation commanders will distribute information on procedures for individuals to follow when they suspect unlawful discrimination by the organization.

(2) Designation of management responsibilities, including the accountability for assets, satisfaction of liabilities, disposition of any residual assets on dissolution, and other documentation that shows responsible financial management.

(3) A certification indicating that members understand they are personally liable if the assets of the non-Federal entity are insufficient to discharge all liabilities.

(4) Guidance relating to professional scouting organizations operating at U.S. military installations located overseas

can be found in DoD Instruction 1015.9.⁴

(i) In accordance with DoD 5500.7-R, DoD personnel acting in an official capacity shall not execute charters that serve as the legal basis for the creation of Boy Scouts organizations (including Boy Scouts, Cub Scout Packs, or Venturer Crews).

(ii) While such chartering is not allowed, nothing in this part is intended to preclude DoD support to Boy Scouts authorized by other DoD Instructions, to preclude Boy Scouts activities on DoD installations, or to preclude DoD personnel in their personal capacity from sponsoring Boy Scouts organizations. Existing charters executed by DoD personnel in their official capacity shall be terminated, or amended to substitute sponsorship by an appropriate individual, volunteer, groups or organization, consistent with DoD policy.⁵

(d) A non-Federal entity covered by this part shall not offer programs or services on DoD installations that compete with appropriated or NAF activities, but may, when specifically authorized, supplement those activities.

(1) Installation commanders, or higher authorities, will determine if the services of a non-Federal entity conflict with or detract from local DoD programs. The cognizant commander has discretionary authority over the operations of non-Federal entities on DoD installations. Commanders are authorized to eliminate duplication of services, particularly when these services compete with the installation's revenue-generating activities.

(2) Background checks are required for employees and volunteers of non-Federal entities who have contact with children under the age of 18 in DoD operated, contracted, or community-based programs, which are used to supplement or expand child care or youth services, according to DoD Instruction 1402.5.⁶

(e) Non-Federal entities covered by this part shall be self-sustaining, primarily through dues, contributions, service charges, fees, or special assessment of members. There shall be no financial assistance to such an entity from a NAF Instrumentality (NAFI) in the form of contributions, repairs, services, dividends, or other donations of money or other assets. Fundraising

and membership drives are governed by DoD 5500.7-R.

(f) Non-Federal entities are not entitled to DoD support. However, support may be provided when it is consistent with the military mission of the DoD Component concerned. Such support may be provided only when it can be offered within the capability of the installation commander without detriment to the commander's ability to fulfill the military mission and when it is permitted under applicable Status of Forces Agreements. The DoD Components may provide logistical support to non-Federal entities with appropriated funds according to DoD 5500.7-R and applicable law. NAFI funds or assets shall not be directly or indirectly transferred to non-Federal entities according to DoD Instruction 1015.14⁷ (Reference (h)).

(g) Personal and professional participation in non-Federal entities by DoD employees is governed by DoD 5500.7-R. DoD personnel acting in an official capacity will not execute charters that serve as the legal basis for any non-Federal entity or other private organization.

(h) Neither appropriated fund activities nor NAFIs may assert any claim to the assets, or incur or assume any obligation, of any non-Federal entity covered by this Instruction, except as may arise out of contractual relationships. Property shall not be abandoned on the installation by a non-Federal entity and may only be acquired by the DoD installation by purchase or through donation.

(i) The non-Federal entity shall have adequate insurance, as defined by the DoD Component concerned, to protect against liability and property damage claims or other legal actions that may arise due to its activities, its acting members, or the operation of its equipment or devices. The DoD Components will not assume liability (through insurance or other means) for any activities or assets of non-Federal entities.

(j) Non-Federal entities shall comply with applicable fire and safety regulations, environmental laws, local, State, and Federal tax codes; and any other applicable statutes or regulations.

(k) Income shall not accrue to individual members of a non-Federal entity except through wages and salaries as employees of the non-Federal entity or as award recognition for services rendered to the non-Federal entity or military community. This prohibition is not meant to preclude operation of investment clubs, in which the

(l) Employees of non-Federal entities are not employees of the United States or of an instrumentality of the United States. Applicable laws on labor standards for employment shall be observed, including worker's compensation insurance. Employees of non-Federal entities shall not participate in NAF employee benefit

programs based upon their affiliation with the non-Federal entity.

(m) Non-Federal entities that have statutory authorization for particular support are listed at Appendix A to this part.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. CGD08-07-023]

RIN 1625-AA09

Drawbridge Operation Regulations; Milhomme Bayou, Stephenville, LA

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to change the regulation governing the operation of the Stephenville Bridge across Milhomme Bayou, mile 12.2, at Stephenville, St. Martin Parish, Louisiana. Currently the bridge opens on signal, but due to the minimal waterway traffic, the bridge owner requested this change. The proposed rule will require the draw of the bridge to open on signal if at least one hour of advance notice is given. During the advance notice period, the draw shall open on less than one hour notice for an emergency, and shall open on demand should a temporary surge in waterway traffic occur.

DATES: Comments and related material must reach the Coast Guard on or before December 3, 2007.

ADDRESSES: You may mail comments and related material to Commander (dpb), Eighth Coast Guard District, 500 Poydras Street, New Orleans, Louisiana 70130-3310. The Commander, Eighth Coast Guard District, Bridge Administration Branch maintains the public docket for this rulemaking. Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, will become part of this docket and will be available for inspection or copying at the Bridge Administration office between 7 a.m. and 3 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Bart Marcules, Bridge Administration Branch, telephone (504) 671-2128.

SUPPLEMENTARY INFORMATION:

Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know they reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

Public Meeting

We do not now plan to hold a public meeting. You may submit a request for a meeting by writing to Commander, Eighth Coast Guard District, Bridge Administration Branch at the address under **ADDRESSES** explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

Background and Purpose

St. Martin Parish has requested that the operating regulation on the Stephenville Bridge be changed in order to operate the bridge more efficiently. The Stephenville Bridge locate on Milhomme Bayou at mile 12.2 in Stephenville, St. Martin Parish, Louisiana has a vertical clearance of 5.8 feet above mean high water, elevation 3.5 feet Mean Sea Level (MSL) in the closed position and unlimited in the open position. The Stephenville Bridge opens on signal as required by 33 CFR 117.5, and this operating schedule has been in effect since 2002 when the current bridge replaced an existing bridge in the area. The previous bridge's operating schedule was, "shall open on signal; except that, from 10 p.m. to 6 a.m. the draw shall open on signal if at least two hours notice is given. During the advance notice period, the draw shall open on less than two hours notice for an emergency and shall open on demand should a temporary surge in waterway traffic occur."

Since the completion of the current bridge, the waterway traffic has been minimal and during the past twelve months an average of 5 boats per day have requested an opening. Most of the boats requesting openings are commercial vessels consisting of tugboats with barges and shrimp trawlers that routinely transit this waterway and are able to give advance notice.

Concurrent with the publication of the Notice of Proposed Rulemaking, a Test Deviation [CGD08-07-022], has been issued to allow St. Martin Parish to test the proposed schedule and to obtain data and public comments. The test period will be in effect during the entire Notice of Proposed Rulemaking comment period. The Coast Guard will review the logs of the drawbridge and evaluate public comments from this Notice of Proposed Rulemaking and the above referenced Temporary Deviation to determine if a permanent special drawbridge operating regulation is warranted.

The Test Deviation allows the draw of the Stephenville Bridge to open on signal if at least one hour of advance notice is given. During the advance notice period, the draw shall open on less than one hour notice for an emergency and shall open on demand should a temporary surge in waterway traffic occur.

Discussion of Proposed Rule

The proposed rule change to 33 CFR part 117 would require that a one hour advance notice be given for St. Martin parish to open the Stephenville Bridge. Presently and historically the waterway has minimal waterway traffic and the bridge owner could use the tenders more efficiently if at least one hour notice is required. During emergencies, the bridge owner will open the bridge as soon as possible and open on demand when a surge in waterway traffic occurs.

Regulatory Evaluation

This proposed rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security.

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation is unnecessary.

A special regulation existed on the replaced bridge and the Coast Guard did not receive complaints regarding the drawbridge operating schedule during the many years that bridge was operated under a special regulation. The current and historical waterway traffic is very minimal with an average of 5 signals to open a day and most signals come from commercial vessels able to schedule an opening. The bridge is also only requiring a one hour advance notice,
