SUPPLEMENTARY INFORMATION:

Description: The Corporation is strongly committed to making its performance measurement and management systems more results oriented in order to strengthen the accountability and performance of its programs. As part of its effort to do so, there is a need to collect outcome information regarding the Corporation's AmeriCorps programs consisting of AmeriCorps*State and National, AmeriCorps*VISTA, and AmeriCorps*National Civilian Community Corps (NCCC). Information on program performance will be informed by a series of surveys of a sample of AmeriCorps members and sub-grantee organizations that deliver services.

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Corporation, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Propose ways to enhance the quality, utility, and clarity of the information to be collected; and
- Propose ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Type of Review: Renewal.

Agency: Corporation for National and Community Service.
