

necessary legislative authority to develop a Utah LBP Program that is as protective as the Federal LBP Program (Title 40 Code of Federal Regulations (40 CFR part 745)).

Administrative Rule Summary

On August 3, 2005, the Utah Department of Environmental Quality/ Division of Air Quality (UDEQ/DAQ) provided the Board with a proposed modification to Utah Administrative Code (UAC) R307-840--Lead-Based Paint Accreditation, Certification and Work Practice Standards to establish the rules necessary for the Utah LBP Program to administer 40 CFR part 745, subpart E--Residential Property Renovation which is otherwise known as the Lead Pre-Renovation Education Rule. UAC R307-840 substantially adopts 40 CFR part 745, subpart E by reference.

On November 2, 2005, the UDEQ/DAQ reported back to the Board that no public comments were received during the public hearing period. The Board subsequently adopted the UDEQ/DAQ proposed modifications to the existing version of UAC R307-840 (Appendix 4) with an effective date of November 3, 2005.

UAC R307-840 incorporates the federal regulation with a few modifications to facilitate LBP program implementation by the State of Utah. The UDEQ/DAQ considers these modifications necessary to implement an effective LBP program and also considers these modifications to be as protective to human health and the environment as the federal LBP program. The following paragraphs provide a brief summary of the three sections in UAC R307-840. Each section will identify which parts in 40 CFR part 745, subpart E are adopted by reference and give a brief overview of its contents.

Throughout UAC R307-840, nearly all references to "EPA" (the U.S. Environmental Protection Agency) when used for LBP program administrative activities have been replaced with "the Executive Secretary" (meaning Executive Secretary of the Utah Air Quality Board).

R307-840-1: Purpose and Applicability

No modifications were made to this section during this rulemaking.

R307-840-2: Definitions

This section substantially adopts 40 CFR 745.83 by reference. The reference to EPA in the definition of "Pamphlet" was not replaced with "the Executive Secretary" in this particular instance because it was inappropriate to do such.

R307-840-3: Accreditation, Certification and Work Standards: Target Housing and Child-Occupied Facilities

UAC R307-840-3 adopts 40 CFR 745.80, 745.81, 745.82, 745.85, 745.86, and 745.88 from the federal LBP regulations by reference. This section of the Utah LBP rule outlines the requirements for Utah LBP work practice standards as it applies to the Utah Pre-Renovation Education Rule.

UAC R307-840-3 creates some minor modifications to the federal LBP regulations to facilitate program implementation in Utah. The reference to EPA in 40 CFR 745.86(b)(1) was not replaced with "the Executive Secretary" in this particular instance because it was inappropriate to do such. Two references to federal regulations found in 40 CFR 745.82(b)(3) and 745.86(b)(1) were replaced with R307-840 to facilitate program administration in Utah. Errors found in 40 CFR 745.86(b)(1), 745.88(b)(2)(i), and 745.88(b)(2)(ii) were corrected in UAC R307-840 by Utah rulemaking.

IV. Federal Overfiling

Section 404(b) of TSCA makes it unlawful for any person to violate, or fail or refuse to comply with, any requirement of an approved State or Tribal program. Therefore, EPA reserves the right to exercise its enforcement authority under TSCA against a violation of, or a failure or refusal to comply with, any requirement of an authorized State or Tribal program.

V. Submission to Congress and the Comptroller General

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before certain actions may take effect, the agency promulgating the action must submit a report, which includes a copy of the action, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this action and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of this document in the **Federal Register**. This action is not a "major rule" as defined by 5 U.S.C. 804(2).
