

determination that a country is an NME country shall remain in effect until revoked by the administering authority. *See e.g., Tapered Roller Bearings and Parts Thereof, Finished and 10 Unfinished, (TRBs) From the People's Republic of China: Preliminary Results of 2001–2002 Administrative Review and Partial Rescission of Review*, 68 FR 7500, 7500–1 (February 14, 2003), unchanged in *TRBs from the People's Republic of China: Final Results of 2001–2002 Administrative Review*, 68 FR 70488, 70488–89 (December 18, 2003).

In the amended preliminary determination in the investigation of coated free sheet paper from the PRC, the Department preliminarily determined that the current nature of the PRC economy does not create obstacles to applying the necessary criteria in the CVD law. *See Coated Free Sheet Paper from the People's Republic of China: Amended Preliminary Affirmative Countervailing Duty Determination*, 72 FR 17484, 17486 (April 9, 2007), and Memorandum for David M. Spooner, Assistant Secretary for Import Administration, "Countervailing Duty Investigation of Coated Free Sheet Paper from The People's Republic of China--Whether the Analytic Elements of the Georgetown Steel Opinion are Applicable to China's Present-day Economy" (March 29, 2007), on file in the CRU. Therefore, because the petitioner has provided sufficient allegations and support of its allegations to meet the statutory criteria for initiating a CVD investigation of raw flexible magnets from the PRC, initiation of a CVD investigation is warranted in this case.

Distribution Of Copies Of The Petition

In accordance with section 702(b)(4)(A)(i) of the Act, a copy of the public version of the petition has been provided to the GOC. To the extent practicable, we will attempt to provide a copy of the public version of the petition to each exporter named in the petition, as provided for under 19 CFR 351.203(c)(2).

ITC Notification

We have notified the ITC of our initiation, as required by section 702(d) of the Act.

Preliminary Determination By The ITC

The ITC will preliminarily determine, within 25 days after the date on which it receives notice of this initiation, whether there is a reasonable indication that imports of subsidized raw flexible magnets from the PRC are materially

injuring, or threatening material injury to, a U.S. industry. *See* section 703(a)(2) of the Act. A negative ITC determination will result in the investigation being terminated; otherwise, the investigation will proceed according to statutory and regulatory time limits.

This notice is issued and published pursuant to section 777(i) of the Act.

Dated: October 11, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.
