DEPARTMENT OF COMMERCE

Economic Development Administration

[Docket No.: 070607177-7586-02]

Solicitation of Applications for the National Technical Assistance, Training, Research and Evaluation Program: Information Dissemination Project and Business Incubator Research Project

AGENCY: Economic Development Administration (EDA), Department of Commerce.

ACTION: Notice and request for applications.

SUMMARY: The Economic Development Administration (EDA) publishes this notice to solicit applications for funding under its National Technical Assistance, Training, Research and Evaluation Program (NTA Program). On June 21, 2007, EDA published in the **Federal Register** a notice regarding NTA Program funding, to solicit applications for funding that address one or both of the following two projects: (1) Information dissemination to practitioners serving economically distressed areas; and (2) a national symposium to bring together leaders to discuss current and future trends in economic development. On July 6, 2007, EDA published another notice in the **Federal Register** to solicit applications for funding that address one or more of four research projects, including one relating to business incubators. After completing its review of applications submitted in response to the June 21, 2007 and July 6, 2007 **Federal Register** notices, EDA decided not to make an award for either the information dissemination project or the business incubator research project. Through this notice, EDA solicits applications for funding that address only the information dissemination project or the business incubator research project. EDA encourages applicants to read the descriptions of both projects as EDA has provided additional information on important requirements that were not in the original Federal Funding Opportunity (FFO) announcements and **Federal Register** notices.

DATES: The closing date and time for receipt of electronic or paper applications for funding under this notice and request for applications is Friday, November 9, 2007 at 5 p.m. EST. To be considered timely, a completed application, regardless of the format in which it is submitted, must be either: (1) Received by the EDA representative listed below under "Paper Submissions" no later than November 9, 2007 at 5 p.m. EST; or (2) transmitted and time-stamped at www.grants.gov no later than November 9, 2007 at 5 p.m. EST. Any application received or transmitted, as the case may be, after 5 p.m. EST on November 9, 2007 will be considered non-responsive and will not be considered for funding. By December 7, 2007, EDA expects to notify the applicants selected for investment assistance under this notice. The selected applicant should expect to receive funding for its project within thirty days of EDA's notification of selection. Applicants choosing to submit completed applications electronically in whole or in part through www.grants.gov should follow the instructions set out below under "Electronic Access" and in section IV. of the complete FFO announcement for this request for applications.

ADDRESSES: Paper Submissions: Full or partial paper (hardcopy) applications submitted pursuant to this notice and request for applications may be:

1. E-mailed to William P. Kittredge, Senior Program Analyst, at wkittredge@eda.doc.gov; or
2. Hand-delivered or mailed to William P. Kittredge, Senior Program Analyst, Economic Development Administration, Room 7009, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230.

Applicants submitting full or partial paper submissions are encouraged to do so by e-mail. Applicants are advised that, due to mail security measures, EDA's receipt of mail sent via the United States Postal Service may be substantially delayed or suspended in delivery.

Electronic Submissions: Applicants may submit applications electronically in whole or in part in accordance with the instructions provided at www.grants.gov and in section IV.B. of the FFO announcement. EDA strongly encourages that applicants not wait until the application closing date to begin the application process through www.grants.gov. The preferred file format for electronic attachments (e.g., the project narrative and additional exhibits to Form ED-900A and Form

ED-900A's program-specific component) is portable document format (PDF); however, EDA will accept electronic files in Microsoft Word, WordPerfect, Lotus or Excel formats.

FOR FURTHER INFORMATION CONTACT: For additional information regarding paper submissions, please contact William P. Kittredge, Senior Program Analyst, via e-mail at wkittredge@eda.doc.gov (preferred) or by telephone at (202) 482-5442. SUPPLEMENTARY INFORMATION:

Background Information: On June 21, 2007 and July 6, 2007, EDA published two separate **Federal Register** notices soliciting applications for funding under its NTA Program. The deadline for receipt of applications closed July 23, 2007 at 5 p.m. EST. Through this notice, EDA solicits applications for the information dissemination project in accordance with the project description and deliverables set out in section I.B. of the FFO announcement.
