Family Entertainment dba Sherwood Forest Family Golf, Conyers, GA; Notice of Negative Determination Regarding Application for Reconsideration

By application postmarked September 6, 2007, a petitioner requested administrative reconsideration of the Department's negative determination regarding eligibility for workers and former workers of the subject firm to apply for Trade Adjustment Assistance (TAA). The denial notice applicable to workers of Family Entertainment, dba Sherwood Forest Family Golf, Conyers, Georgia was signed on August 22, 2007 and published in the **Federal Register** on September 11, 2007 (72 FR 51845).

Pursuant to 29 CFR 90.18(c) reconsideration may be granted under the following circumstances:

(1) If it appears on the basis of facts not previously considered that the determination complained of was erroneous;

(2) If it appears that the determination complained of was based on a mistake in the determination of facts not previously considered; or

(3) If in the opinion of the Certifying Officer, a misinterpretation of facts or of the law justified reconsideration of the decision.

The TAA petition filed on behalf of workers at Family Entertainment, dba Sherwood Forest Family Golf, Conyers, Georgia engaged in activities related to the operation of an amusement park was denied because the petitioning workers did not produce an article within the meaning of section 222 of the Act.

The petitioner contends that the Department erred in its interpretation of work performed at the subject facility as "activities related to operating an amusement park" and further conveys that workers of the subject firm were not employees of the amusement park, but were rather workers of the Marketing Division.

A company official was contacted for clarification in regard to the nature of

the work performed at the subject facility. The official stated that Family Entertainment, dba Sherwood Forest Family Golf, Conyers, Georgia operates an amusement park, where the following entertainment services are provided: putt-putt golf, a raceway of go-karts, bumper boats, bumper carts, batting cages and an arcade. The official clarified that Sherwood Forest does not use divisions and that employees of the subject firm "work counters at golf desk or concessions, operate rides by taking tickets, administering instructions, assisting patrons into moving rides and monitoring throughout the length of the ride."

The official further stated that two petitioning workers were hired as sales agents to try a new promotional program in August 2006. These employees sold Everything Goes passes and performed promotional activities for the amusement park by "handing out flyers to whomever they choose to solicit." The official stated that even though these two workers were "on foot advertising/promotional type employees" and were not required to be stationary at the place of business, and were paid commission along with a
