

Title: Relocation Assistance and Real Property Acquisition Regulations for Federal and Federally Assisted Programs.

OMB Control #: 2105-0508.

Background: This program implements 42 U.S.C. 4602, concerning acquisition of real property and relocation assistance for displaced persons for Federal and federally-assisted programs. It prohibits the provision of relocation assistance and payments to persons not legally in the United States (with certain exceptions). The information collected consists of a certification of residency status from affected persons to establish eligibility for relocation assistance and payments. Displacing agencies will require each person who is to be displaced by a Federal or federally-assisted project, as a condition of eligibility for relocation payments or advisory assistance, to certify that he or she is lawfully present in the United States.

Respondents: Federal agencies, State highway agencies, local government highway agencies, and airport sponsors receiving financial assistance for expenditures of Federal funds on acquisition and relocation payments and required services to displaced persons.

Estimated Number of Respondents: 1,460 for file maintenance and 52 state highway agencies for statistical reports.

Estimated Average Burden per Response: The average burden per response is 16.5 hours.

Estimated Total Annual Burden Hours: 25,000 hours.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the FHWA's performance; (2) the accuracy of the estimated burdens; (3) ways for the FHWA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized, including the use of electronic technology, without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended; and 49 CFR 1.48.
