Rule 0-2, Form ADV-NR, SEC File No. 270-214, OMB Control No. 3235-0240.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The titles for the collections of information are "Rule 0-2" (17 CFR 275.0-2) and "Form ADV-NR" (17 CFR

279.4) under the Investment Advisers Act of 1940 (15 U.S.C. 80b-1). Rule 0-2 and Form ADV-NR facilitate service of process to non-resident investment advisers and their non-resident general partners or non-resident managing agents. The Form requires these persons to designate the Commission as agent for service of process. The purpose of this collection of information is to enable the commencement of legal and or regulatory actions against investment advisers that are doing business in the United States, but are not residents.

The respondents to this information collection would be each non-resident general partner or non-resident managing agent of an SEC-registered adviser. The Commission has estimated that compliance with the requirement to complete Form ADV-NR imposes a total burden of approximately 1.0 hours for an adviser. Based on our experience with these filings, we estimate that we will receive 18 Form ADV-NR filings annually. Based on the 1.0 hours per respondent estimate, the Commission staff estimates a total annual burden of 18 hours for this collection of information.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
